The Greater Key of Solomon

Including A Clear And Precise Exposition Of King Solomon’s Secret Procedure,
Its Mysteries And Magic Rites,
Original Plates, Seals, Charms And Talismans.

Translated From Ancient Manuscripts
In The British Museum, London.
By S. Liddell MacGregor Mathers

1999
Emperor Norton Books
Cincinnati, Ohio
Editor’s note.

The text of this electronic edition of The Greater Key of Solomon was taken from the American edition of 1916 published by L.W. deLaurence. It substantially duplicates that edition with the following exceptions:

• Several long, irrelevant interjections by deLaurence have been removed, as have his self-promoting frontispiece and splash pages.
• The footnotes have been eliminated as contributing nothing of significance to the meaning of the text. They consisted largely of pompous “admonishments” by deLaurence, advertisements for his products, and opaque source notes.
• Where possible, illustrations have been moved close to the place where they are referenced in the text.
• The formatting has been changed to conform to modern conventions.

The scanned illustrations have been optimized for printing at 300 dpi; with some combinations of computer monitor and driver software, the onscreen images may appear blocky or crude.

For the best reading experience, I recommend printing this document on non-glossy paper tinted a light ecru or tan color.

Benjamin Rowe
March 23, 1999
Preface To Book One.

_The Key Of Solomon_, save for a curtailed and incomplete copy published in France in the seventeenth century, has never yet been printed, but has for centuries remained in manuscript form inaccessible to all but the few fortunate scholars to whom the inmost recesses of the great libraries were open.

The fountain-head and storehouse of Qabalistical Magic, and the origin of much of the Ceremonial Magic of Mediaeval times, the _Key_ has been ever valued by Occult writers as a work of the highest authority; and notably in our own day Eliphaz Levi has taken it for the model on which his celebrated _Dogme et Rituel de la Haute Magie_ was based. It must be evident to the initiated reader of Levi, that _The Key Of Solomon_ was his text book of study, and at the end of this volume, I give a fragment of an ancient Hebrew Manuscript of _The Key of Solomon_, translated and published in the _Philosophie Occulte_, as well as an Invocation called the _Qabalistical Invocation of Solomon_, which bears close analogy to one in the First Book, being constructed in the same manner on the scheme of the Sephiroth.

The history of the Hebrew original of _The Key of Solomon_ is given in the Introductions, but there is every reason to suppose that this has been entirely lost, and Christian, the pupil of Levi, says as much in his _Histoire de la Magie_.

I see no reason to doubt the tradition which assigns the authorship of the _Key_ to KING SOLOMON, for among others Josephus, the Jewish historian, especially mentions the magical works attributed to that monarch; this is confirmed by many Eastern traditions, and his magical skill is frequently mentioned by the Old Adepts.

There are, however, two works on Black Magic, the _Grimorium Verum_, and the _Clavicola di Salomone ridolta_, which have been attributed to Solomon, and which have been in some cases especially mixed up with the present work; but which have nothing really to do therewith; they are full of evil magic, and I cannot caution the practical student too strongly against them.

There is also another work called _Legemeton_, or the _Lesser Key of Solomon the King_, which is full of seals of various Spirits, and is not the same as the present book, though extremely valuable in its own department.

In editing this volume, I have omitted one or two experiments partaking largely of Black Magic, and which had evidently been derived from the two Goetic works mentioned above; I must further caution the practical worker against the use of blood; the prayer, the Pentacle, and the perfumes, or Temple Incense, rightly used, are sufficient as the former verges dangerously on the evil path. Let him who, in spite of the warnings of this volume, determines to work evil, be assured that evil will recoil on himself and that he will be struck by the reflex current.

This work is edited from several ancient MSS. in the British Museum which all differ from each other in various points, some giving what is omitted by the others, but all unfortunately agreeing in one thing, which is the execrable mangling of the Hebrew words through the ignorance of the transcribers. But it is in the Pentacles that the Hebrew is worse, the letters being so vilely scribbled as to be actually undecipher-
able in some instances, and it has been part of my work for several years to correct and reinstate the proper Hebrew and Magical characters in the Pentacles. The student may therefore safely rely on their being now as nearly correct in their present reproduction as it is possible for them to be. I have therefore, wherever I could, corrected the Hebrew of the Magical Names in the Conjurations and Pentacles and in the few instances where it was not possible to do so, I have put them in the most usual form; carefully collating throughout one MS. with another. The Chapters are a little differently classed in the various MSS., in some instances the matter contained in them being transposed, &c. I have added notes wherever necessary.

The MSS. from which this work is edited are: Add. MSS. 10,862; Sloane MSS. 1307 and 3091; Harleian MSS. 3981; King’s MSS. 288; and Lansdowne MSS. 1202 and 1203; seven codices in all.

Of all these 10,862 Add. MSS. is the oldest, its date being about the end of the sixteenth century; 3981 Harleian is probably about the middle of the seventeenth century; the others of rather later date.

Add. MSS. 10,862 is written in contracted Latin, and is hard to read, but it contains Chapters which are omitted in the others and also an important Introduction. It is more concise in its wording. Its title is short, being simply The Key of Solomon, translated from the Hebrew language into the Latin. An exact copy of the signature of the writer of this MS. is given in the figure below.

3981 Harleian MSS.; 288 King’s MSS.; and 3091 Sloane MSS., are similar, and contain the same matter and nearly the same wording; but the latter MS. has many errors of transcription. They are all in French. The Conjurations and wording of these are much fuller than in 10,862 Add. MSS. and 1202 Lansdowne MSS. The title is The Key of SOLOMON, King of the Hebrews, translated from the Hebrew Language into Italian by Abraham Colorno, by the order of his most Serene Highness of Mantua; and recently put into French. The Pentacles are much better drawn, are in colored inks, and in the case of 3091 Sloane MSS., gold and silver are employed.

1307 Sloane MSS. is in Italian; its title is La Clavicola di Salomone Redotta et epilogata nella nostra materna lingua del dottissimo Gio Peccatrix. It is full of Black Magic, and is a jumble of The Key Of Solomon proper, and the two Black Magic books before mentioned. The Pentacles are badly drawn. It, however, gives part of the Introduction to 10,682 Add. MSS., and is the only other MS. which does, save the beginning of another Italian version which is bound up with the former MS., and bears the title Zecorbenei.

1202 Lansdowne MSS. is The True Keys Of King Solomon, by Armadel. It is beautifully written, with painted initial letters, and the Pentacles are carefully drawn in
colored inks. It is more concise in style, but omits several Chapters. At the end are some short extracts from the *Grimorium Verum* with the Seals of evil spirits, which, as they do not belong to *The Key Of Solomon* proper, I have not given. For the evident classification of the Key is in two books and no more.

1203 Lansdowne MSS. is *The Veritable Keys of Solomon* translated from the Hebrew into the Latin language by the Rabbin Agognazar. It is in French, exquisitely written in printing letters, and the Pentacles are carefully drawn in colored inks. Though containing similar matter to the others, the arrangement is utterly different; being all in one book, and not even divided into chapters.

The antiquity of the Planetary Sigils is shown by the fact that, among the Gnostic Talismans in the British Museum, there is a ring of copper with the Sigils of Venus, which are exactly the same as those given by the Mediaeval writers on Magic.

Where Psalms are referred to I have in all instances given the English and not the Hebrew numbering of them.

In some places I have substituted the word AZOTH for “Alpha and Omega,” e.g., on the blade of the Knife with the Black Hilt, Figure 62. I may remark that the Magical Sword may, in many cases, be used instead of the Knife.

In conclusion I will only mention, for the benefit of non-Hebraists, that Hebrew is written from right to left, and that from the consonantal nature of the Hebrew Alphabet, it will require fewer letters than in English to express the same word.

[The preface is signed by L.W. deLaurence, but believed to have been written by S.L. MacGregor Mathers.]
INTRODUCTION.

From Add. MSS. 10862, “The Key of Solomon,” translated into Latin from the Hebrew idiom.

Treasure up, O my son Roboam! the wisdom of my words, seeing that I Solomon, have received it from the Lord.

Then answered Roboam, and said: How have I deserved to follow the example of my father Solomon in such things, who hath been found worthy to receive the knowledge of all living things through (the teaching of) an Angel of God?

And Solomon said: Hear, O my son, and receive my sayings, and learn the wonders of God. For, on a certain night, when I laid me down to sleep, I called upon that most holy Name of God, IAH, and prayed for the Ineffable Wisdom, and when I was beginning to close mine eyes, the Angel of the Lord, even Homadiel, appeared unto me, spake many things courteously unto me, and said: Listen O Solomon! thy prayer before the Most High is not in vain, and since thou hast asked neither for long life, nor for much riches, nor for the souls of thine enemies, but hast asked for thyself wisdom to perform justice. Thus saith the Lord: According to thy word have I given unto thee a wise and understanding heart, so that before thee was none like unto thee, nor ever shall arise.

And when I comprehended the speech which was made unto me, I understood that in me was the knowledge of all creatures, both things which are in the heavens and things which are beneath the heavens; and I saw that all the writings and wisdom of this present age were vain and futile, and that no man was perfect. And I composed a certain work wherein I rehearsed the secret of secrets, in which I have preserved them hidden, and I have also therein concealed all secrets whatsoever of magical arts of any masters; any secret or experiments, namely, of these sciences which is in any way worth being accomplished. Also I have written them in this “Key,” so that like as a key openeth a treasure-house, so this Key alone may open the knowledge and understanding of Magical arts and sciences.

Therefore, O my son! thou mayest see every experiment of mine or of others, and let everything be properly prepared for them, as thou shalt see properly set down by me, both day and hour, and all things necessary; for without this there will be but falsehood and vanity in this my work; wherein are hidden all secrets and mysteries which can be performed; and that which is (set down) concerning a single divination or a single experiment, that same I think concerning all things which are in the Universe, and which have been, and which shall be in future time.

Therefore, O my son Roboam, I command thee by the blessing which thou expectest from thy father, that thou shall make an Ivory Casket, and therein place, keep, and hide this my “Key”; and when I shall have passed away unto my fathers, I entreat thee to place the same in my Sepulchre beside me, lest at another time it might fall into the hands of the wicked. And as Solomon commanded, so was it done.

And when, therefore (men) had waited for a long time, there came unto the Sepulchre certain Babylonian Philosophers and when they had assembled they at once
took counsel together that a certain number of men should renew the Sepulchre in his (Solomon’s) honour; and when the Sepulchre was dug out and repaired the Ivory Casket was discovered, and therein was the Key of Secrets, which they took with joyful mind. And when they had opened it none among them could understand it in account of the obscurity of the words and their Occult arrangement, and the hidden character of the sense and knowledge, for they were not worthy to possess this treasure.

Then, therefore, arose one among them, more worthy (than the others), both in the sight of the gods, and by reason of his age, who was called Iohé Grevis, and said unto the others: Unless we shall come and ask the interpretation from the Lord, with tears and entreaties, we shall never arrive at the knowledge of it.

Therefore, when each of them had retired to his bed, Iohé indeed falling upon his face on the earth, began to weep, and striking his breast, said:

What have I deserved (above others), seeing that so many men can neither understand nor interpret this knowledge, even though there were no secret thing in nature which the Lord hath hidden from me! Wherefore are these words so obscure? Wherefore am I so ignorant?

And then on his bended knees, stretching his hands to Heaven, he said:

O God, the Creator of all, Thou Who knowest all things, who gavest so great Wisdom unto Solomon The Son Of David The King; grant unto me, I beseech Thee, O Holy Omnipotent and Ineffable Father, to receive the virtue of that wisdom, so that I may become worthy by Thine aid to attain unto the understanding of this Key Of Secrets.

And immediately there appeared unto me, the Angel the Lord, saying:

Do thou remember if the secrets of Solomon appear hidden and obscure unto thee, that the Lord hath wished it, so that such wisdom may not fall into the hands of wicked men; wherefore do, thou promise unto me, that thou art not willing that so great wisdom should ever come to any living creature, and that which thou revealst unto any let them know that they must keep it unto themselves, otherwise the secrets are profaned and no effect can follow?

And Iohé answered: I promise unto thee that to none will I reveal (them), save to the honour of the Lord, and with much discipline, unto penitent, secret, and faithful (persons).

Then answered the Angel: Go and read the “Key,” and its words which were obscure throughout shall be manifest unto thee.

And after this the Angel ascended into Heaven in a Flame of Fire.

Then Iohé was glad, and labouring with a clear mind, understood that which the Angel of the Lord had said, and he saw that The Key Of Solomon was changed, so that it appeared quite clear unto him plainly in all parts. And Iohé understood that this Work might fall into the hands of the ignorant, and he said: I conjure him into whose hands this secret may come, by the Power of the Creator, and His Wisdom, that in all things he may, desire, intend and perform, that this Treasure may come unto no unworthy (person), nor may he manifest it unto any who is unwise, nor unto one
The Key of Solomon

who feareth not God. Because if he act otherwise I pray God that he may never be worthy to attain unto the desired effect. And so he deposited the “Key,” which Solomon preserved, in the Ivory Casket. But the Words of the “Key” are as follows, divided into Two Books, and shown in order.

From Lansdowne MSS. 1203, “The Veritable Clavicles of Solomon,” translated from the Hebrew into the Latin by the Rabbi Abognazar.

O my Son Roboam! seeing that of all Sciences there is none more useful than the knowledge of Celestial Movements, I have thought it my duty, being at the point of death, to leave thee an inheritance more precious than all the riches which I have enjoyed. And in order that thou mayest understand how I have arrived at this degree (of wisdom), it is necessary to tell thee that one day, when I was meditating upon the power of the Supreme Being, the Angel of the great God appeared before me as I was saying, O how wonderful are the works of God! I suddenly beheld, at the end of a thickly-shaded vista of trees, a Light in the form of a blazing Star, which said unto me with a voice of thunder Solomon, Solomon, be not dismayed; the Lord is willing to satisfy thy desire by giving thee knowledge of whatsoever thing is most pleasant unto thee. I order thee to ask of Him whatsoever thou desirest. Whereupon, recovering from my surprise, I answered unto the Angel, that according to the Will of the Lord, I only desired the Gift of wisdom, and by the Grace of God I obtained in addition the enjoyment of all the Celestial treasures and the knowledge of all natural things.

It is by this means, my Son, that I possess all the virtues and riches of which thou now seest me in the enjoyment, and in order that thou mayest be willing to be attentive to all which I am about to relate to thee, and that thou mayest retain with care all that I am about to tell thee, I assure thee that the Graces of the Great God will be familiar unto thee, and that the Celestial and Terrestrial Creatures will be obedient unto thee, and a science which only works by the strength and power of natural things, and by the pure Angels which govern them. Of which latter I will give thee the names in order, their exercises and particular employments to which they are destined, together with the days over which they particularly preside, in order that thou mayest arrive at the accomplishment of all, which thou wilt find in this my Testament. In all which I promise thee success, provided that all thy works only tend unto the honour of God, who hath given me the power to rule, not only over Terrestrial but also over Celestial things, that is to say, over the Angels, of whom I am able to dispose according to my will, and to obtain from them very considerable services.

Firstly. It is necessary for thee to understand that God, having made all things, in order that they may be submitted unto Him, hath wished to bring His works to perfection, by making one which participates of the Divine and of the Terrestrial, that is to say, Man; whose body is gross and terrestrial, while his soul is spiritual and celestial, unto whom He hath made subject the whole earth and its inhabitants, and hath given unto Him means by which He may render the Angels familiar, as I call those Celestial creatures who are destined: some to regulate the motion of the Stars, others to inhabit the Elements, others to aid and direct men, and others again to sing continually the
praises of the Lord. Thou mayest then, by the use of their Seals and Characters, render them familiar unto thee, provided that thou abusest not this privilege by demanding from them things which are contrary to their nature; for accursed be he who will take the Name of God in vain, and who will employ for evil purposes the knowledge and good wherewith He hath enriched us.

I command thee, my Son, to carefully engrave in thy memory all that I say unto thee, in order that it may never leave thee. If thou dost not intend to use for a good purpose the secrets which I here teach thee, I command thee rather to cast this Testament into the fire, than to abuse the power thou wilt have of constraining the Spirits, for I warn thee that the beneficial angels, wearied and fatigued by thine illicit demands, would to thy sorrow execute the commands of God, as well as to that of all such who, with evil intent, would abuse those secrets which He hath given and revealed unto me. Think not, however, O my Son, that it would not be permitted thee to profit by the good fortune and happiness which the Divine Spirits can bring thee; on the contrary, it gives them great pleasure to render service to Man for whom many of these Spirits have great liking and affinity, God having destined them for the preservation and guidance of those Terrestrial things which are submitted to the power of Man.

There are different kinds of Spirits, according to the things over which they preside, some of them govern the Empyrean Heaven, others the Primum Mobilé, others the First and Second Crystalline, others the Starry Heaven; there are also Spirits of the Heaven of Saturn, which I call Saturnites. There are Jovial, Martial, Solar, Venerean, Mercurial, and Lunar Spirits; there are also (Spirits) in the Elements as well as in the Heavens, there are some in the Fiery Region, others in the Air, others in the Water, and others upon the Earth, which can all render service to that man who learns their nature, and knows how to attract them.

Furthermore, I wish to make thee understand that God hath destined to each one of us a Spirit, which watches over us and takes care of our preservation; these are called Genii, who are elementary like us, and who are more ready to render service to those whose temperament is conformed to the Element which these Genii inhabit; for example, shouldest thou be of a fiery temperament, that is to say sanguine, thy genius would be fiery and submitted to the Empire of Bael. Besides this, there are special times reserved for the invocation of these Spirits, in the days and hours when they have power and absolute empire. It is for this reason that thou wilt see in the following tables to what Planet and to what Angel each Day and Hour is submitted, together with the Colours which belong unto them, the Metals, Herbs, Plants, Aquatic, Aerial, and Terrestrial Animals, and Temple Incense, which are proper to each of them, as also in what quarter of the Universe they ask to be invoked. Neither are omitted, the Conjuraciones, Seals, Characters, and Divine Letters, which belong to them, by means of which we receive the power to sympathize with these Spirits.

PRELIMINARY DISCOURSE.

From Lansdowne MSS. 1203, “The Veritable Clavicles of Solomon,” Translated from the Hebrew into the Latin language by the Rabbi Abognazar.

Every one knoweth in the present day that from time immemorial Solomon possessed knowledge inspired by the wise teachings of an angel, to which he appeared so submissive and obedient, that in addition to the gift of wisdom, which he demanded, he obtained with profusion all the other virtues; which happened in order that knowledge worthy of eternal preservation might not be buried with his body. Being, so to speak, near his end, he left to his son Roboam a Testament which should contain all (the Wisdom) he had possessed prior to his death. The Rabbins, who were careful to cultivate (the same knowledge) after him, called this Testament The Clavicle, or Key of Solomon, which they caused to be engraved on (pieces of) the bark of trees, while the Pentacles were inscribed in Hebrew letters on plates of copper, so that they might be carefully preserved in the Temple which that wise king had caused to be built.

This Testament was in ancient time translated from the Hebrew into the Latin language by Rabbi Abognazar, who transported it with him into the town of Arles in Provence, where by a notable piece of good fortune the ancient Hebrew Clavicle, that is to say, this precious translation of it, fell into the hands of the Archbishop of Arles, after the destruction of the Jews in that city; who, from the Latin, translated it into the vulgar tongue, in the same terms which here follow, without having either changed or augmented the original translation from the Hebrew.
Chapter I

Concerning The Divine Love Which Precedes the Acquisition of This Knowledge

Solomon, The Son Of David, King Of Israel, hath said that the beginning of our Key is to fear God, to adore Him, to honour Him with contrition of heart, to invoke Him in all matters which we wish to undertake, and to operate with very great devotion, for thus God will lead us in the right way. When, therefore, thou shalt wish to acquire the knowledge of Magical Arts and Sciences, it is necessary to have prepared the order of hours and of days, and of the position of the Moon, without the operation of which thou canst effect nothing; but if thou observest them with diligence thou mayest easily and thoroughly arrive at the effect and end which thou desirest to attain.
When thou wishest to make any experiment or operation, thou must first prepare, beforehand, all the requisites, such as candles and Incense, which thou wilt find described in the following Chapters: observing the days, the hours, and the other effects of the Constellations which may be found in this Chapter.

It is, therefore, advisable to know that the hours of the day and of the night together, are twenty-four in number, and that each hour is governed by one of the Seven Planets in regular order, commencing at the highest and descending to the lowest. The order of the Planets is as follows: ShBThAI, Shabbathai, Saturn; beneath Saturn is TzDQ, Tzedeq, Jupiter; beneath Jupiter is MADIM, Madim, Mars; beneath Mars is SHMSH, Shemesh, the Sun; beneath the Sun is NVGH, Nogah, Venus; beneath Venus is KVKB, Kokav, Mercury; and beneath Mercury is LBNH, Levanah, the Moon, which is the lowest of all the Planets.

It must, therefore, be understood that the Planets have their dominion over the day which approacheth nearest unto the name which is given and attributed unto them — viz., over Saturday, Saturn; Thursday, Jupiter; Tuesday, Mars; Sunday, the Sun; Friday, Venus; Wednesday, Mercury: and Monday, the Moon.

The rule of the Planets over each hour begins from the dawn at the rising of the Sun on the day which take its name from such Planet, and the Planet which follows it in order, succeeds to the rule over the next hour. Thus (on Saturday) Saturn rules the first hour, Jupiter the second, Mars the third, the Sun the fourth, Venus the fifth, Mercury the sixth, the Moon the seventh, and Saturn returns in the rule over the eighth, and the others in their turn, the Planets always keeping the same relative order.

Note that each experiment of magical operation should be performed under the Planet, and usually in the hour, which refers to the same. For example:

In the Days and Hours of Saturn thou canst perform experiments to summon the Souls from Hades, but only of those who have died a natural death. Similarly on these days and hours thou canst operate to bring either good or bad fortune to buildings; to have familiar Spirits attend thee in sleep; to cause good or ill success to business, possessions, goods, seeds, fruits, and similar things, in order to acquire learning; to bring destruction and to give death, and to sow hatred and discord.

The Days and Hours of Jupiter are proper for obtaining honours, acquiring riches; contracting friendships, preserving health; and arriving at all that thou canst desire.

In the Days and Hours of Mars thou canst make experiments regarding war; to arrive at military honour; to acquire courage; to overthrow enemies; and further to cause ruin, slaughter, cruelty, discord; to wound and to give death.

The Days and Hours of the Sun are very good for: perfecting experiments regarding temporal wealth, hope, gain, fortune, divination, the favour of princes, to dissolve hostile feeling, and to make friends.
The Days and Hours of Venus are good for forming friendships; for kindness and love; for joyous and pleasant undertakings, and for travelling.

The Days and Hours of Mercury are good to operate for eloquence and intelligence; promptitude in business; science and divination; wonders; apparitions: and answers regarding the Future. Thou canst also operate under this Planet for thefts; writings; deceit; and merchandise.

The Days and Hours of the Moon are good for embassies; voyages; envoys; messages; navigation; reconciliation; love; and the acquisition of merchandise by water.

Thou shouldst take care punctually to observe all the instructions contained in this chapter, if thou desirest to succeed, seeing that the truth of Magical Science dependeth thereon.

The Hours of Saturn, of Mars, and of the Moon are alike good for communicating and speaking with Spirits; as those of Mercury are for recovering thefts by the means of Spirits.

The Hours of Mars serve for summoning Souls from Hades, especially of those slain in battle.

The Hours of the Sun, of Jupiter, and of Venus, are adapted for preparing any operations whatsoever of love, of kindness, and of invisibility, as is hereafter more fully shown, to which must be added other things of a similar nature which are contained in our work.

The Hours of Saturn and Mars and also the days on which the Moon is conjunct with them, or when she receives their opposition or quartile aspect, are excellent for making experiments of hatred, enmity, quarrel, and discord; and other operations of the same kind which are given later on in this work.

The Hours of Mercury are good for undertaking experiments relating to games, raillery, jests, sports, and the like.

The Hours of the Sun, of Jupiter, and of Venus, particularly on the days which they rule, are good for all extraordinary, uncommon, and unknown operations.

The Hours of the Moon are proper for making trial of experiments relating to recovery of stolen property, for obtaining nocturnal visions, for summoning Spirits in sleep, and for preparing anything relating to Water.

The Hours of Venus are furthermore useful for lots, poisons, all things of the nature of Venus, for preparing powders provocative of madness; and the like things.

But in order to thoroughly effect the operations of this Art, thou shouldst perform them not only on the Hours but on the Days of the Planets as well, because then the experiment will always succeed better, provided thou observest the rules laid down later on, for if thou omittest one single condition thou wilt never arrive at the accomplishment of the Art.

For those matters then which appertain unto the Moon, such as the Invocation of Spirit, the Works of Necromancy, and the recovery of stolen property, it is necessary that the Moon should be in a Terrestrial Sign, viz.: Taurus, Virgo, or Capricorn.

For love, grace, and invisibility, the Moon should be in a Fiery Sign, viz.: Aries, Leo, or Sagittarius.
For hatred, discord, and destruction, the Moon should be in a Watery Sign, viz.: Cancer, Scorpio, or Pisces.

For experiments of a peculiar nature, which cannot be classed under any certain head, the Moon should be in an Airy Sign, viz.: Gemini, Libra, or Aquarius.

But if these things seem unto thee difficult to accomplish, it will suffice thee merely to notice the Moon after her combustion, or conjunction with the Sun, especially just when she quits his beams and appeareth visible. For then it is good to make all experiments for the construction and operation of any matter. That is why the time from the New unto the Full Moon is proper for performing any of the experiments of which we have spoken above. But in her decrease or wane it is good for War, Disturbance, and Discord. Likewise the period when she is almost deprived of light, is proper for experiments of invisibility, and of Death.

But observe inviolably that thou commence nothing while the Moon is in conjunction with the Sun, seeing that this is extremely unfortunate, and that thou wilt then be able to effect nothing; but the Moon quitting his beams and increasing in Light, thou canst perform all that thou desirest, observing nevertheless the directions in this Chapter.

Furthermore, if thou wishest to converse with Spirits it should be especially on the day of Mercury and in his hour, and let the Moon be in an Airy Sign, as well as the Sun.

Retire thou then unto a secret place, where no one may be able to see thee or to hinder thee, before the completion of the experiment, whether thou shouldest wish to work by day or by night. But if thou shouldest wish to work by night, perfect thy work on the succeeding night; if by day, seeing that the day beginneth with the rising of the Sun (perfect thy work on) the succeeding day. But the Hour of Inception is the Hour of Mercury.

Verily, since no experiments for converse with Spirits can be done without a Circle being prepared, whatsoever experiments therefore thou wishest to undertake for conversing with Spirits, therein thou must learn to construct a certain particular Circle; that being done surround that Circle with the Circle of Art for better caution and efficacy.
Chapter III

Concerning the Arts.

If thou wishest to succeed, it is necessary to make the following Experiments and Arts in the appropriate Days and Hours, with the requisite solemnities and ceremonies contained and laid down in the following chapters.

Experiments, then, are of two kinds; the first is to make trial of what, as I have said, can be easily performed without a Circle, and in this case it is not necessary to observe anything but what thou wilt find in the proper Chapters. The second can in no way be brought to perfection without the Circle; and in order to accomplish this perfectly it is necessary to take note of all the preparations which the Master of the Art and his Disciples must undertake before constructing the Circle.

Before commencing operations both the Master and his Disciples must abstain with great and thorough continence during the space of nine days from sensual pleasures and from vain and foolish conversation; as plainly appeareth in the Second Book, Chapter 4. Six of the days having expired, he must recite frequently the Prayer and Confession as will be told him; and on the Seventh Day, the Master being alone, let him enter into a secret place, let him take off his clothes, and bathe himself from head to foot in consecrated and exorcised water, saying devoutly and humbly the prayer, “O Lord Adonai,” etc., as it is written in the Second Book, Chapter 2.

The Prayer being finished, let the Master quit the water, and put upon his flesh raiment of white linen clean and unsoiled; and then let him go with his Disciples unto a secret place and command them to strip themselves naked; and they having taken off their clothes, let him take exorcised water and pour it upon their heads so that it flows down to their feet and bathes them completely; and while pouring this water upon them let the Master say: “Be ye regenerate, renewed, washed, and pure,” &c., as in Book II., Chapter 3.

Which being done, the Disciples must clothe themselves, putting upon their flesh, like their Master, raiment of white linen clean and unsoiled; and the three last days the Master and his Disciples should fast, observing the solemnities and prayers marked in Book II., Chapter 2.

Note that the three last days should be calm weather, without wind, and without clouds rushing hither and thither over the face of the sky. On the last day let the Master go with his Disciples unto a secret fountain of running water, or unto a flowing stream, and there let each of them taking off his clothes, wash himself with due solemnity, as is rehearsed in Book II. And when they are clean and pure, let each put upon him garments of white linen, pure, and clean, using the prayers and ceremonies described in Book II. After which let the Master alone say the confession. The which being finished, the Master in sign of penitence will Kiss the Disciples on the forehead, and each of them will Kiss the other. Afterwards let the Master extend his hands over the Disciples, and in sign of absolution, absolve and bless them; which being done he
Book One

will distribute to each of his Disciples the Instruments necessary for Magical Art, which he is to carry into the Circle.

The First Disciple will bear the Censer, the Perfumes and the Incense; the Second Disciple will bear the Book, Paper, Pens, Ink and any stinking or impure materials; the Third will carry the Knife and the Sickle of Magical Art, the Lantern, and the Candles; the Fourth, the Psalms, and the rest of the Instruments; the Fifth, the Crucible or Chafing-dish, and the Charcoal or Fuel; but it will be necessary for the Master himself to carry in his hand the Staff, and the Wand or Rod. The things necessary being thus disposed, the Master will go with his Disciples unto the assigned place, which they have proposed to construct the Circle for the Magical Arts and experiments; repeating on the way the prayers and orations which thou wilt find in Book II.

When the Master shall have arrived at the place appointed, together with his Disciples, he having lighted the flame of the fire, and having exorcised it afresh as is laid down in the Second Book, shall light the Candle and place it in the Lantern, which one of the Disciples is to hold ever in his hand to light the Master at his work. Now the Master of the Art, every time that he shall have occasion for some particular purpose to speak with the Spirits, must endeavor to form certain Circles which shall differ somewhat, and shall have some particular reference to the particular experiment under consideration. Now, in order to succeed in forming such a Circle concerning Magical Art, for the greater assurance and efficacy thou shalt construct it in the following manner:

The Construction Of The Circle.

Take thou the Knife, the Sickle, or the Sword of Magical Art consecrated after the manner and order which we shall deliver unto thee in the Second Book. With this Knife or with the Sickle of Art thou shalt describe, beyond the inner Circle which thou shalt have already formed, a Second Circle, encompassing the other at the distance of one foot therefrom and having the same centre. Within this space of a foot in breadth between the first and the second circumferential line, thou shalt trace towards the Four Quarters of the Earth, the Sacred and Venerable Symbols of the holy letter Tau. And between the first and the second Circle which thou shalt thyself have drawn with the Instrument of Magical Art, thou shalt make four hexagonal pentacles, and between these thou shalt write four terrible and tremendous Names of God, viz.:

Between the East and the South the Supreme Name IHVH, Tetragrammaton;
Between the South and the West the Essential Tetragrammatic Name AHIH, Eheieh;
Between the West and the North the Name of Power ALIVN, Elion;
And between the North and the East the Great Name ALH, Eloah;
Which Names are of supreme importance in the list of the Sephiroth, and their Sovereign Equivalents.

Furthermore, thou shalt circumscribe about these Circles two Squares, the Angles of which shall be turned towards the Four Quarters of the Earth; and the space
between the Lines of the Outer and Inner Square shall be half-a-foot. The extreme
Angles of the Outer Square shall be made the Centres of four Circles, the measure or
diameter of which shall be one foot. All these are to be drawn with the Knife or conse-
crated Instrument of Art. And within these Four Circles thou must write these four
Names of God the Most Holy One, in this order:
   At the East, AL, El;
   At the West, IH, Yah;
   At the South, AGLA, Agla;
   And at the North ADNI, Adonai.

Between the two Squares the Name Tetragrammaton is to be written in the same
way as is shown in the plate. (See Figure 2.)

While constructing the Circle, the Master should recite the following Psalms:
Psalm ii; Psalm liv; Psalm cxxii; Psalm lxvii; Psalm lxviii; Psalm lxviii.

Or he may as well recite them before tracing the Circle.

The which being finished, and the fumigations being performed, as is described
in the chapter on Fumigations in the Second Book, the Master should reassemble his
Disciples, encourage them, reassure them, fortify them, and conduct them into the
parts of the Circle of Art, where he must place them in the four quarters of the earth,
courage them, and exhort them to fear nothing, and to keep in the places assigned
to them. Also, the Disciple who is placed towards the East should have a pen, ink,
paper, silk, and white cotton, all clean and suitable for the work. Furthermore, each of
the Companions should have a new Sword drawn in his hand (besides the consecrated
Magical Sword of Art), and he should keep his hand resting upon the hilt thereof, and
he should on no pretext quit the place assigned to him, nor move therefrom.

After this the Master should quit the Circle, light the fuel in the earthen pots, and
place upon them the Censers, in the Four Quarters of the Earth; and he should have
in his hand the consecrated taper of wax, and he should light it and place it in a hid-
den and secret place prepared for it. Let him after this re-enter and close the Circle.

The Master should afresh exhort his Disciples, and explain to them all that they
have to do and to observe; the which commands they should promise and vow to exe-
cute. Let the Master then repeat this Prayer:

**Prayer.**

When we enter herein with all humility, let God the Almighty One enter into this
Circle, by the entrance of an eternal happiness, of a Divine prosperity, of a perfect joy,
of an abundant charity, and of an eternal salutation. Let all the demons fly from this
place, especially those who are opposed unto this work, and let the Angels of Peace
assist and protect this Circle, from which let discord and strife fly and depart. Magnify
and extend upon us, O Lord, Thy most Holy Name, and bless our conversation and
our assembly. Sanctify, O Lord our God, our humble entry herein, Thou the Blessed
and Holy One of the Eternal Ages! Amen.

After this, let the Master say upon his knees, as follows:
Prayer.

O Lord God, All Powerful and All Merciful, Thou who desirest not the death of a sinner, but rather that he may turn from his wickedness and live; give and grant unto us thy grace, by blessing and consecrating this earth and this Circle, which is here marked out with the most powerful and holy Names of God. And thee, I conjure, O Earth, by the Most Holy Name of ASHER EHIEH entering within this Circle, composed and made with mine hand. And may God, even ADONAI, bless this place with all the virtues of Heaven, so that no obscene or unclean spirit may have the power to enter into this Circle, or to annoy any person who is therein; though the Lord God ADONAI, Who liveth eternally unto the Ages of the Ages. Amen.

I beseech Thee, O Lord God, the All Powerful and the All Merciful, that Thou wilt deign to bless this Circle, and all this place, and all those who are therein, and that Thou wilt grant unto us, who serve Thee, and rehearse nothing but the wonders of

Figure 2. Circle for Operations of the Art
The Key of Solomon

Thy law, a good Angel for our Guardian; remove from us every adverse power; preserve us from evil and from trouble; grant, O Lord, that we may rest in this place in all safety, through Thee, O Lord, Who livest and reignest unto the Ages of the Ages. Amen.

Let the Master now arise and place upon his head a Crown made of paper (or any other appropriate substance), on the which there must be written (with the Colours and other necessary things which we shall describe hereafter), these four Names AGLA, AGLAI, AGLATA, AGLATAI. The which Names are to be placed in the front, behind, and on either side of the head.

Furthermore, the Master ought to have with him in the Circle, those Pentacles or Medals which are necessary to his purpose, which are described hereinafter, and which should be constructed according to the rules given in the Chapter on Pentacles. They should be described on virgin paper with a pen; and ink, blood, or colours, prepared according to the manner which we shall hereafter show in the Chapters on these subjects. It will be sufficient to take only those Pentacles which are actually required, they should be sewed to the front of the linen robe, on the chest, with the consecrated needle of the Art, and with a thread which has been woven by a young girl.

After this, let the Master turn himself towards the Eastern Quarter (unless directed to the contrary, or unless he should be wishing to call Spirits which belong to another quarter of the Universe), and pronounce with a loud voice the Conjuration contained in this Chapter. And if the Spirits be disobedient and do not then make their appearance, he must arise and take the exorcised Knife of Art wherewith he hath constructed the Circle, and raise it towards the sky as if he wished to beat or strike the Air, and conjure the Spirits. Let him then lay his right hand and the Knife upon the Pentacles or Medals, constructed of, and described upon virgin paper, which are fastened to or sewn upon his breast, and let him repeat the following Conjuration upon his knees:

Conjuration.

O Lord, hear my prayer, and let my cry come unto Thee. O Lord God Almighty, who has reigned before the beginning of the Ages, and Who by Thine Infinite Wisdom, hast created the heavens, the earth, and the sea, and all that in them is, all that is visible, and all that is invisible by a single word; I praise Thee, I bless Thee, I adore Thee, I glorify Thee, and I pray Thee now at the present time to be merciful unto me, a miserable sinner, for I am the work of Thine hands. Save me, and direct me by Thy Holy Name, Thou to Whom nothing is difficult, nothing is impossible; and deliver me from the night of mine ignorance, and enable me to go forth therefrom. Enlighten me with a spark of Thine Infinite Wisdom. Take away from my senses the desire of covetousness, and the iniquity of mine idle words. Give unto me, Thy servant, a wise understanding, penetrating and subtle heart, to acquire and comprehend all Sciences and Arts; give unto me capacity to hear, and strength of memory to retain them, so that I may be able to accomplish my desires, and understand and learn all difficult and desirable Sciences; and also that I may be able to comprehend the hidden secrets of
the Holy Writings. Give me the virtue to conceive them, so that I may be able to bring forth and pronounce my words with patience and humility, for the instruction of others, as Thou hast ordered me.

O God, the Father, All Powerful and All Merciful, who hast created all things, who knowest and conceivest them universally, and to Whom nothing is hidden, nothing is impossible; I entreat Thy Grace for me and for Thy servants, because Thou seest and knowest well that we perform not this work to tempt Thy Strength and Thy Power as if in doubt thereof, but rather that we may know and understand the truth of all hidden things. I beseech Thee to have the kindness to be favorable unto us; by Thy Splendour, Thy Magnificence, and Thy Holiness, and by Thy Holy, Terrible, and Ineffable Name IAH, at which the whole world doth tremble, and by the Fear with which all creatures obey Thee. Grant, O Lord, that we may become responsive unto Thy Grace, so that through it we may have a full confidence in and knowledge of Thee, and that the Spirits may discover themselves here in our presence, and that those which are gentle and peaceable may come unto us, so that they may be obedient unto Thy commands, through Thee, O Most Holy ADONAI, Whose Kingdom is an everlasting Kingdom, and whose Empire endureth unto the Ages of the Ages. Amen.

After having said all these words devoutly, let the Master arise, and place his hands upon the Pentacles, and let one of the Companions hold the Book open before the Master, who, raising his eyes to heaven, and turning unto the Four Quarters of the Universe, shall say:

O Lord, be Thou unto me a Tower of Strength against the appearance and assault of the Evil Spirits.

After this, turning towards the Four Quarters of the Universe, he shall say the following words:

These be the Symbols and the Names of the Creator, which can bring Terror and Fear unto you. Obey me then, by the power of these Holy Names, and by these Mysterious Symbols of the Secret of Secrets.

The which being said and done, thou shalt see them draw near and approach from all parts. But if they be hindered, detained, or occupied in some way, and so that they cannot come, or if they are unwilling to come, then, the Suffumigations and Censings being performed anew, and (the Disciples) having anew, by especial order, touched their Swords, and the Master having encouraged his Disciples, he shall reform the Circle with the Knife of Art, and, raising the said Knife towards the Sky, he shall as it were strike the air therewith. After this he shall lay his hand upon the Pentacles, and having bent his knees before the Most High, he shall repeat with humility the following Confession; the which his Disciples shall also do, and they shall recite it in a low and humble voice, so that they can scarcely be heard.
Chapter IV

The Confession to be Made by the Exorcist.

Confession.

O Lord of Heaven and of Earth, before Thee do I confess my sins, and lament them, cast down and humbled in thy presence. For I have sinned before Thee by pride, avarice, and boundless desire of honours and riches; by idleness, gluttony, greed, debauchery, and drunkenness; because I have offended Thee by all kinds of sins of the flesh, adulteries, and pollutions, which I have committed myself, and consented that others should commit; by sacrilege, thefts, rapine, violation, and homicide; by the evil use I have made of my possessions, by my prodigality, by the sins which I have committed against Hope and Charity, by my evil advice, flatteries, bribes, and the ill distribution which I have made of the goods of which I have been possessed; by repulsing and maltreating the poor, in the distribution which I have made of the goods committed to my charge, by afflicting those over whom I have been set in authority, by not visiting the prisoners, by depriving the dead of burial, by not receiving the poor, by neither feeding the hungry nor giving drink to the thirsty, by never keeping the Sabbath and the other feasts, by not living chastely and piously on those days, by the easy consent which I have given to those who incited me to evil deeds, by injuring instead of aiding those who demanded help from me, by refusing to give ear unto the cry of the poor, by not respecting the aged, by not keeping my word, by disobedience to my parents, by ingratitude towards those from whom I have received kindness, by indulgence in sensual pleasures, by irreverent behaviour in the Temple of God, by unseemly gestures thereat, by entering therein without reverence, by vain and unprofitable discourse when there, by despising the sacred vessels of the temple, by turning the holy Ceremonies into ridicule, by touching and eating the sacred bread with impure lips and with profane hands, and by the neglect of my prayers and adorations.

I detest also the crimes which I have committed by evil thoughts, vain and impure meditations, false suspicions, and rash judgments; by the evil consent which I have readily given unto the advice of the wicked, by lust of impure and sensual pleasures; by my idle words, my lies, and my deceit; by my false vows in various ways; and by my continual slander and calumny.

I detest also the crimes which I have committed within; the treachery and discord which I have incited; my curiosity, greed, false speaking, violence, malediction, murmurs, blasphemies, vain words, insults, dissimulations; my sins against God by the transgression of the ten commandments, by neglect of my duties and obligations, and by want of love towards God and towards my neighbour.

Furthermore I hate the sins which I have committed in all my senses, by sight, by hearing, by taste, by smell, and by touch, in every way that human weakness can offend the Creator; by my carnal thoughts, deeds, and meditations.
In which I humbly confess that I have sinned, and recognise myself as being in the sight of God the most criminal of all men.

I accuse myself before Thee, O God, and I adore Thee with all humility. O ye, Holy Angels, and ye, Children of God, in your presence I publish my sins, so that mine Enemy may have no advantage over me, and may not be able to reproach me at the last day; that he may not be able to say that I have concealed my sins, and that I be not then accused in the presence of the Lord; but, on the contrary, that on my account there may be joy in Heaven, as over the just who have confessed their sins in thy presence.

O Most Almighty and All Powerful Father, grant through Thine unbounded Mercy that I may both see and know all the Spirits which I invoke, so that by their means I may see my will and desire accomplished, by The Sovereign grandeur, and by Thine ineffable and Eternal Glory, Thou Who art and Who wilt be for ever the Pure and Ineffable Father of ALL.

The Confession having been finished with great humility, and with the inward feeling of the heart, the Master will recite the following prayer:

**Prayer.**

O Lord All Powerful, Eternal God and Father of all Creatures, shed upon me the Divine Influence of Thy Mercy, for I am Thy Creature. I beseech Thee to defend me from mine Enemies, and to confirm in me true and steadfast faith.

O Lord, I commit my Body and my Soul unto thee, seeing I put my trust in none beside Thee; it is on thee alone that I rely; O Lord my God aid me; O Lord hear me in the day and hour wherein I shall invoke Thee. I pray Thee by Thy Mercy not to put me in oblivion, nor to remove me from Thee. O Lord be Thou my succor, Thou Who art the God of my salvation. O Lord make me a new heart according unto Thy loving Kindness. These, O Lord, are the gifts which I await from Thee, O my God and my Master, Thou who livest and reignest unto the Ages of the Ages. Amen.

O Lord God the All Powerful One, who hast formed unto Thyself great and Ineffable Wisdom, and Co-eternal with Thyself before the countless Ages; Thou Who in the Birth of Time hast created the Heavens, and the Earth, the Sea, and things that they contain; Thou who hast vivified all things by the Breath of Thy Mouth, I praise Thee, I bless Thee, I adore Thee, and I glorify Thee. Be Thou propitious unto me who am but a miserable sinner, and despise me not; save me and succor me, even me the work of Thine hands. I conjure and entreat thee by Thy Holy Name to banish from my Spirit the darkness of Ignorance, and to enlighten me with the Fire of thy Wisdom; take away from me all evil desires, and let not my speech be as that of the foolish. O Thou, God the Living One, whose Glory, Honour, and Kingdom shall extend unto the Ages of the Ages. Amen.
Chapter V.

Prayer and Conjurations.

Prayer.

O Lord God, Holy Father, Almighty and Merciful One, who hast created all things, Who knowest all things and can do all things, from Whom nothing is hidden, to whom nothing is impossible; Thou who knowest that we perform not these ceremonies to tempt Thy power, but that we may penetrate into the knowledge of hidden things; we pray Thee by Thy Sacred Mercy to cause and to permit, that we may arrive at this understanding of secret things, of whatever nature they may be by Thine aid, O Most Holy ADONAI, whose Kingdom and Power shall have no end unto the Ages of the Ages. Amen.

The Prayer being finished, let the Exorcist lay his hand upon the Pentacles, while one of the Disciples shall hold open before him the Book wherein are written the prayers and conjurations proper for conquering, subduing, and reproving the Spirits. Then the Master, turning towards each Quarter of the Earth, and raising his eyes to Heaven, shall say:

O Lord, be Thou unto me a strong tower of refuge, from the sight and assaults of the Evil Spirits.

After which let him turn again towards the Four Quarters of the Earth, and towards each let him utter the following words:

Behold the Symbols and Names of the Creator, which give unto ye forever Terror and Fear. Obey then, by the virtue of these Holy Names, and by these Mysteries of Mysteries.

After this he shall see the Spirits come from every side. But in case they are occupied in some other place, or that they cannot come, or that they are unwilling to come: then let him commence afresh to invoke them after the following manner, and let the Exorcist be assured that even were they bound with chains of iron, and with fire, they could not refrain from coming to accomplish his will.

The Conjuration.

O ye Spirits, ye I conjure by the Power, Wisdom, and Virtue of the Spirit of God, by the uncreate Divine Knowledge, by the vast Mercy of God, by the Strength of God, by the Greatness of God, by the Unity of God; and by the holy Name of God EHEIEH, which is the root, trunk, source, and origin of all the other Divine Names, whence they all draw their life and their virtue, which Adam having invoked, he acquired the knowledge of all created things.

I conjure ye by the indivisible Name IOD, which marketh and expresseth the Simplicity and the Unity of the Nature Divine, which Abel having invoked, he deserved to escape from the hands of Cain his brother.
I conjure ye by the Name TETRAGRAMMATON ELOHIM, which expresseth and signifieth the Grandeur of so lofty a Majesty, that Noah having pronounced it, saved himself, and protected himself with his whole household from the Waters of the Deluge.

I conjure ye by the Name of God EL Strong and Wonderful, which denoteth the Mercy and Goodness of His Majesty Divine, which Abraham having invoked, he was found worthy to come forth from the Ur of the Chaldeans.

I conjure ye by the most powerful Name of ELOHIM GIBOR, which showeth forth the Strength of God, of a God All Powerful, who punisheth the crimes of the wicked, Who seeketh out and chastiseth the iniquities of the fathers upon the children unto the third and fourth generation; which Isaac having invoked, he was found worthy to escape from the Sword of Abraham his father.

I conjure ye and I exorcise ye by the most holy Name of ELOAH VA-DAATH, which Jacob invoked when in great trouble, and was found worthy to bear the Name of Israel, which signifieth Vanquisher of God; and he was delivered from the fury of Esau his brother.

I conjure ye by the most potent Name of EL. ADONAI TZABAOTH, which is the God of Armies, ruling in the Heavens, which Joseph invoked and was found worthy to escape from the hands of his Brethren.

I conjure ye by the most potent Name of ELOHIM TZABAOTH, which expresseth piety, mercy, splendour, and knowledge of God, which Moses invoked, and he was found worthy to deliver the People Israel from Egypt, and from the servitude of Pharaoh.

I conjure ye by the most potent Name of SHADDAI, which signifieth doing good unto all; which Moses invoked, and having struck the Sea, it divided into two parts in the midst, on the right hand and on the left. I conjure ye by the most holy Name of EL CHAI, which is that of the Living God, through the virtue of which alliance with us, and redemption for us have been made; which Moses invoked and all the waters returned to their prior state and enveloped the Egyptians, so that not one of them escaped to carry the news into the Land of Mizraim.

Lastly, I conjure ye all, ye rebellious Spirits, by the most holy Name of God ADONAI MALEKH, which Joshua invoked, and stayed the course of the Sun in his presence, through the virtue of Methratton, its principal Image; and by the troops of Angels who cease not to cry day and night, QADOSCH, SADOSCH, QADOSCH, ADONAI ELOHIM TZABAOTH (that is, Holy, Holy, Holy, Lord God of Hosts, Heaven and Earth are full of Thy Glory); and by the Ten Angels who preside over the Ten Sephiroth, by whom God communicateth and extendeth His influence over lower things, which are KETHER, CHOKMAH, BINAH, GEDULAH, GEBURAH, TIPHARETH, NETZACH, HOD, YESOD, AND MALKUTH.

I conjure ye anew, O Spirits, by all the Names of God, and by all His marvellous work; by the heavens; by the earth; by the sea; by the depth of the Abyss, and by that firmament which the very Spirit of God hath moved; by the sun and by the stars; by the waters and by the seas, and all which they contain; by the winds, the whirlwinds,
and the tempests; by the virtue of all herbs, plants, and stones; by all which is in the heavens, upon the earth, and in all the Abysses of the Shades.

I conjure ye anew, and I powerfully urge ye, O Demons, in whatsoever part of the world ye may be, so that ye shall be unable to remain in air, fire, water, earth, or in any part of the universe, or in any pleasant place which may attract ye; but that ye come promptly to accomplish our desire, and all things that we demand from your obedience.

I conjure ye anew by the two Tables of the Law, by the five books of Moses, by the Seven Burning Lamps on the Candlestick of Gold before the face of the Throne of the Majesty of God, and by the Holy of Holies wherein the KOHEN HA-GADUL was alone permitted to enter, that is to say, the High-Priest.

I conjure ye by Him Who hath made the heavens and the earth, and who hath measured those heavens in the hollow of His hand, and enclosed the earth with three of His fingers, Who is seated upon the Kerubim and upon the Seraphim; and by the Kerubim, which is called the Kerub, which God constituted and placed to guard the Tree of Life, armed with a flaming sword, after that Man had been driven out of Paradise.

I conjure ye anew, Apostates from God, by Him who alone hath performed great wonders; by the Heavenly Jerusalem; and by the Most Holy Name of God in Four Letters, and by Him Who enlighteneth all things and shineth upon all things by his Venerable and Ineffable Name, EHEIEH ASHER EHEIEH; that ye come immediately to execute our desire, whatever it may be.

I conjure ye, and I command ye absolutely, O Demons, in whatsoever part of the Universe ye may be, by the virtue of all these Holy Names;-- ADONAI, JAH, HOA, EL, ELOAH, ELOHINU, ELOHIM, EHEIEH, MARON, KAPHU, ESCH, INNON, AVEN, AGLA, HAZOR, EMETH, YAH, ARARITHA, YOVA, HA-KABIR, MESSIACH, IONAH, MAL-KA, EREL, KUZU, MATZPATZ EL SHADDAI; and by all the Holy names of God which have been written with blood in the sign of an eternal alliance.

I conjure ye anew by these other names of God, Most Holy and unknown, by the virtue of which Names ye tremble every day;-- BARUC, BACURABON, PATACEL, ALCHEEGHEL, AQUACHAI, HOMORION, EHEIEH, ARBATON, CHEVON, CEBON, OYZROYMAS, CHAI, EHEIEH, ALBAMACHI, ORTAGU, NALE, ABELECH (or HELECH), YEZE (or SECHEZZE); that ye come quickly and without any delay into our presence from every quarter and every climate of the world wherein ye may be, to execute all that we shall command ye in the Great Name of God.
If they then immediately appear, it is well; if not, let the Master uncover the consecrated Pentacles which he should have made to constrain and command the Spirits, and which he should wear fastened round his neck, holding the Medals (or Pentacles) in his left hand, and the consecrated Knife in his right; and encouraging his Companions, he shall say with a loud voice:

Address.

Here be the Symbols of Secret things, the standards, the ensigns and the banners, of God the Conqueror; and the arms of the Almighty One, to compel the Aerial Potencies. I command ye absolutely by their power and virtue that ye come near unto us, into our presence, from whatsoever part of the world ye may be in, and that ye delay not to obey us in all things wherein we shall command ye by the virtue of God the Mighty One. Come ye promptly, and delay not to appear, and answer us with humility.

If they appear at this time, show them the Pentacles, and receive them with kindness, gentleness, and courtesy; reason and speak with them, question them, and ask from them all things which thou hast proposed to demand.

But if, on the contrary, they do not yet make their appearance, holding the consecrated Knife in the right hand, and the Pentacles being uncovered by the removal of their consecrated covering, strike and beat the air with the Knife as if wishing to commence a combat, comfort and exhort thy Companions, and then in a loud and stern voice repeat the following Conjuration:

Conjuration

Here again I conjure ye and most urgently command ye; I force, constrain, and exhort ye to the utmost, by the most mighty and powerful Name of God EL, strong and wonderful, and by God the Just and Upright, I exorcise ye and command ye that ye in no way delay, but that ye come immediately and upon the instant hither before us, without noise, deformity, or hideousness, but with all manner of gentleness and mildness.

I exorcise ye anew, and powerfully conjure ye, commanding ye with strength and violence by Him Who spake and it was done; and by all these names: EL, SHADDAI, ELOHIM, ELOHI, TZABAOTH, ELIM, ASHER EHEIEH, YAH, TETRAGRAMMATON, SHADDAI, which signify God the High and Almighty, the God of Israel, through Whom undertaking all our operations we shall prosper in all the works of our hands, seeing that the Lord is now, always, and for ever with us, in our heart and in our lips; and by His Holy Names, and by the virtue of the Sovereign God, we shall accomplish all our work.
Come ye at once without any hideousness or deformity before us, come ye without monstrous appearance, in a gracious form or figure. Come ye, for we exorcise ye with the utmost vehemence by the Name of IAO and ON, which Adam spake and heard; by the Name EL, which Noah heard, and saved himself with all his family from the Deluge; by the Name IOD, which Noah heard, and knew God the Almighty One; by the Name AGLA, which Jacob heard, and saw the Ladder which touched Heaven, and the Angels who ascended and descended upon it, whence he called that place the House of God and the Gate of Heaven; and by the Name ELOHIM, which Moses named, invoked, and heard in Horeb the Mount of God, and he was found worthy to hear Him speak from the Burning Bush; and by the Name AIN SOPH, which Aaron heard, and was at once made eloquent, wise, and learned; and by the Name TZABAOTH, which Moses named and invoked, and all the ponds and rivers were covered with blood throughout the land of Egypt; and by the name IOD, which Moses named and invoked, and striking upon the dust of the earth both men and beasts were struck with disease; and by the Name, and in the Name PRIMEUMATON, which Moses named and invoked, and there fell a great and severe hail throughout all the land of Egypt, destroying the vines, the trees, and the woods which were in that country; and by the Name IAPPHAR, which Moses heard and invoked, and immediately a great pestilence began to appear through all the land of Egypt, striking and slaying the asses, the oxen, and the sheep of the Egyptians, so that they all died; and by the Name ABADDON which Moses invoked and sprinkled the dust towards heaven, and immediately there fell so great rain upon the men, cattle, and flocks, that they all died throughout the land of Egypt; and by the Name ELION which Moses invoked, and there fell so great hail as had never been seen from the beginning of the world unto that time, so that all men, and herds, and everything that was in the fields perished and died throughout all the land of Egypt. And by the Name EDONAL, which Moses having invoked, there came so great a quantity of locusts which appeared in the land of Egypt, that they devoured and swallowed up all that the hail had spared; and by the Name of PATHEON, which having invoked, there arose so thick, so awful, and so terrible darkness throughout the land of Egypt, during the space of three days and three nights, that almost all who were left alive died; and by the Name YESOD and in the Name YESOD, which Moses invoked, and at midnight all the first-born, both of men and of animals, died; and by the Name of YESHIMON, which Moses invoked, and the Red Sea divided itself and separated in two; and by the name HESION, which Moses invoked, and all the army of Pharaoh was drowned in the waters; and by the Name ANABONA, which Moses having heard upon Mount Sinai, he was found worthy to receive and obtain the tables of stone written with the finger of God the Creator; and by the Name ERYGION, which Joshua having invoked when he fought against the Moabites, he defeated them and gained the victory; and by the Name HOA, and in the Name HOA, which David invoked, and he was delivered from the hand of Goliath; and by the name YOD, which Solomon having named and invoked, he was found worthy to ask for and obtain in sleep the Ineffable Wisdom of God; and by the Name YIAI, which Solomon having named and
invoked, he was found worthy to have power over all the Demons, Potencies, Powers, and Virtues of the Air.

By these, then, and by all the other Names of God Almighty, Holy, Living, and True, we powerfully command ye, ye who by your own sin have been cast down from the Empyreal Heaven, and from before His Throne; by Him who hath cast ye down unto the most profound of the Abysses of Hell, we command Ye boldly and resolutely; and by that terrible Day of the Sovereign Judgment of God, on which all the dry bones in the earth will arise to hear and listen unto the Word of God with their body, and will present themselves before the face of God Almighty; and by that Last Fire which shall consume all things; by the (Crystal) Sea which is known unto us, which is before the Face of God: by the indicible and ineffable virtue, force, and power of the Creator Himself, by His Almighty power, and by the Light and Flame which emanate from His Countenance, and which are before His Face; by the Angelical Powers which are in the Heavens, and by the most great Wisdom of Almighty God; by the Seal of David, by the Ring and Seal of Solomon, which was revealed unto him by the Most High and Sovereign Creator; and by the Nine Medals or Pentacles, which we have among our Symbols, which proceed and come from Heaven, and are among the Mysteries of Mysteries or Secrets of Secrets, which you can also behold in my hand, consecrated and exorcised with the due and requisite Ceremonies. By these, then, and by all the Secrets which the Almighty encloseth in the Treasures of the Sovereign and Highest Wisdom, by His Hand, and by His marvellous power; I conjure, force, and exorcise ye that ye come without delay to perform in our presence that which we shall command ye.

I conjure ye anew by that most Holy Name which the whole Universe fears, respects, and reveres, which is written by these letters and characters, IOD, HE, VAU, HE; and by the last and terrible judgment; by the Seat of BALDACHIA; and by this Holy Name, YIAI, which Moses invoked, and there followed that great Judgment of God, when Dathan and Abiram were swallowed up in the centre of the earth. Otherwise, if ye contravene and resist us by your disobedience unto the virtue and power of this Name YIAI, we curse ye even unto the Depth of the Great Abyss, into the which we shall cast, hurl, and bind ye, if ye show yourselves rebellious against the Secret of Secrets, and against the Mystery of Mysteries. AMEN, AMEN. FIAT, FIAT.

This Conjuration thou shalt say and perform, turning thyself unto the East, and if they appear not, thou shalt repeat it unto the Spirits, turning unto the South, the West, and the North, in succession, when thou wilt have repeated it four times. And if they appear not even then, thou shalt make the Sign of TAU upon the foreheads of thy companions, and thou shalt say:

Conjuration.

Behold anew the Symbol and the Name of a Sovereign and Conquering God, through which all the Universe fears, trembles, and shudders, and through the most mysterious words of the Secret Mysteries and by their Virtue, Strength, and Power.
I conjure ye anew, I constrain and command ye with the utmost vehemence and power, by that most potent and powerful Name of God, EL, strong and wonderful, by Him who spake and it was done; and by the Name IAH, which Moses heard, and spoke with God; and by the Name AGLA, which Joseph invoked, and was delivered out of the hands of his brethren; and by the Name VAU, which Abraham heard, and knew God the Almighty One; and by the Name of Four Letters, TETRAGRAMMATON, which Joshua named and invoked, and he was rendered worthy and found deserving to lead the Army of Israel into the Promised Land; and by the Name ANABONA, by which God formed Man and the whole Universe; and by the Name ARPHETON, by which the Angels who are destined to that end will summon the Universe, in visible body and form, and will assemble (all people) together by the sound of the Trumpet at that terrible and awful Day of Judgment, when the memory of the wicked and ungodly shall perish; and by the Name ADONAI, by which God will judge all human flesh, at Whose voice all men, both good and evil, will rise again, and all men and Angels will assemble in the air before the Lord, Who will judge and condemn the wicked; and by the Name ONEIPHETON, by which God will summon the dead, and raise them up again unto life; and by the Name ELOHIM, and in the Name ELOHIM, by which God will disturb and excite tempests throughout all the seas, so that they will cast out the fish therefrom, and in one day the third part of men about the sea and the rivers shall die; and by the Name ELOHI, and in the Name ELOHI, by which God will dry up the sea and the rivers, so that men can go on foot through their channels; and by the Name ON, by which God shall restore and replace the sea, the rivers, the streams, and the brooks, in their previous state; and by the Name MESSIACH, and in the Name MESSIACH, by which God will make all animals combat together, so that they shall die in a single day; and by the Name ARIEL, by which God shall destroy in a single day all buildings, so that there shall not be left one stone upon another; and by the Name IAHT, by which God will cast one stone upon another, so that all people and nations will fly from the sea-shore, and will say unto them cover us and hide us; and by the Name EMANUEL, by which God will perform wonders, and the winged creatures and birds of the air shall contend with one another; and by the Name ANAEL, and in the Name ANAEL, by which God will cast down the mountains and fill up the valleys, so that the surface of the earth shall be level in all parts; and by the Name ZEDEREZA, and in the Name ZEDEREZA, by which God will cause the Sun and Moon to be darkened. and the Stars of heaven to fall; and by the Name SEPHERIEL, by which God will come to Universal Judgment, like a Prince newly crowned entering in triumph into his capital city, girded with a zone of gold, and preceded by Angels, and at His aspect all climes and parts of the Universe shall be troubled and astonished, and a fire shall go forth before Him, and flames and storm shall surround Him; and by the Name TAU, by which God brought the Deluge, and the waters prevailed above the mountains, and fifteen cubits above their summits; and by the Name RUACHIAH, by which God having purged the Ages, He will make His Holy spirit to descend upon the Universe, and will cast ye, ye rebellious Spirits, and unclean beings,
into the Depths of the Lake of the Abyss, in misery, filth, and mire, and will place ye in impure and foul dungeons bound with eternal chains of fire.

By these Names then, and by all the other Holy Names of God before Whom no man can stand and live, and which Names the armies of the Demons fear, tremble at, and shudder; we conjure ye, we potently exorcise and command ye, conjuring ye in addition by the terrible and tremendous PATHS of God and by His Holy habitation wherein He reigneth and commandeth unto the eternal Ages. Amen.

By the virtue of all these aforesaid, we command ye that ye remain not in any place wherein ye are, but to come hither promptly without delay to do that which we shall enjoin ye. But if ye be still contumacious, we, by the Authority of a Sovereign and Potent God, deprive ye of all quality, condition, degree, and place which ye now enjoy, and precipitate ye into and relegate ye unto the Kingdom of Fire and of Sulphur, to be there eternally tormented Come ye then from all parts of the earth, wheresoever ye may be, and behold the Symbols and Names of that Triumphant Sovereign Whom all creatures obey, otherwise we shall bind ye and conduct ye in spite of yourselves, into our presence bound with chains of fire, because those effects which proceed and issue from our Science and operation, are ardent with a fire which shall consume and burn ye eternally, for by these the whole Universe trembleth, the earth is moved, the stones thereof rush together, all creatures obey, and the rebellious Spirits are tormented by the power of the Sovereign Creator.

Then it is certain that they will come, even if they be bound with chains of fire, unless prevented by affairs of the very greatest importance, but in this latter case they will send ambassadors and messengers by whom thou shalt easily and surely learn what occupies the Spirits and what they are about. But if they appear not yet in answer to the above Conjuration, and are still disobedient, then let the Master of the Art or Exorciser arise and exhort his Companions to be of good cheer and not to despair of the ultimate success of the operation; let him strike the air with the Consecrated Knife towards the Four Quarters of the Universe; and then let him Kneel in the midst of the Circle, and the Companions also in their several places, and let them say consecutively with him in a low voice, turning in the direction of the East, the following:

ADDRESS TO THE ANGELS.

I conjure and pray ye, O ye Angels of God, and ye Celestial Spirits, to come unto mine aid; come and behold the Signs of Heaven, and be my witness before the Sovereign Lord, of the disobedience of these evil and fallen Spirits who were at one time your companions.

This being done, let the Master arise, and constrain and force them by a stronger conjuration, in manner following.

Page 31
The Key of Solomon

Chapter VII

AN EXTREMELY POWERFUL CONJURATION.

Behold us again prepared to conjure ye by the Names and Symbols of God, with
which we are fortified, and by the virtue of the Highest One. We command ye and
potently ordain ye by the most strong and powerful Names of God, Who is worthy of
all praise, admiration, honor, glory, veneration, and fear, that ye delay not longer, but
that ye appear before us without any tumult or disturbance, but, on the contrary, with
great respect and courtesy, in a beautiful and human form.

If they then appear, let them see the Pentacles, and say:

Obey ye, Obey ye, behold the Symbols and Names of the Creator; be ye gentle and
peaceable, and obey in all things that we shall command ye.

They will then immediately talk with thee, as a friend speaketh unto a friend. Ask
of them all that thou desirest, with constance, firmness, and assurance, and they will
obey thee.

But if they appear not yet, let not the Master on that account lose his courage, for
there is nothing in the world stronger and of greater force to overawe the Spirits than
constancy. Let him, however, re-examine and reform the Circle, and let him take up a
little dust of the earth, which he shall cast towards the Four Quarters of the Universe;
and having placed his Knife upon the ground, let him say on his knees, turning
towards the direction of the North:

In the Name of ADONAI ELOHIM TZABAOTH SHADDAI, Lord God of Armies
Almighty, may we successfully perform the works of our hands. and may the Lord be
present with us in our heart and in our lips.

These words having been said kneeling upon the earth, let the Master shortly after
arise and open his arms wide as if wishing to embrace the air, and say:

CONJURATION.

By the Holy Names of God written in this Book, and by the other Holy and Ineffa-
ble Names which are written in the Book of Life, we conjure ye to come unto us
promptly and without any delay, wherefore tarry not, but appear in a beautiful and
agreeable form the figure, by these Holy Names: ADONAI, TZABAOTH, EL, ELOHI,
ELOHIM, SHADDAI and by EHEIEH, YOD HE VAU HE which is the Great Name of
God TETRAGRAMMATON written with Four Letters, ANAPHODITION, and ineffa-
bles; by the God of those Virtues and Potencies, Who dwelleth in the Heavens, Who
rideth upon the Kerubim, Who moveth upon the Wings of the Wind, He Whose
Power is in Heaven and in Earth, Who spake and it was done, Who commanded and
the whole Universe was created; and by the Holy Names and in the Holy Names, IAH,
IAH, IAH, ADONAI TZABAOTH; and by all the Names of God, the Living, and the
True, I reiterate the Conjuration, and I conjure ye afresh ye Evil and rebellious Spirits,
abiding in the Abysses of Darkness.
I conjure, I address, and I exorcise ye, that ye may approach unto and come before the Throne of God, the Living and the True, and before the Tribunal of the Judgment of His Majesty, and before the Holy Angels of God to hear the sentence of your condemnation.

Come ye then by the Name and in the Name of SHADDAI which is that of God Almighty, strong, powerful, admirable, exalted, pure, clean, glorified, virtuous, great, just, terrible, and holy; and by the Name and in the Name of EL, IAH, IAH, IAH, Who hath formed and created the world by the Breath of His Mouth, Who supporteth it by His Power, Who ruleth and governeth it by His Wisdom, and Who hath cast ye for your pride into the Land of Darkness and into the Shadow of Death.

Therefore, by the Name of the Living God, Who hath formed the heavens above, and hath laid the foundations of the earth beneath, we command ye that, immediately and without any delay, ye come unto us from all places, valleys, mountains, hills, field, seas, rivers, fountains, ponds, brooks, caverns, grottos, cities, towns, villages, markets, fairs, habitations, baths, courtyards, gardens, vineyards, plantations, reservoirs, cisterns, and from every corner of the terrestrial earth where ye may happen to be in your assemblies, so that ye may execute and accomplish our demands with all mildness and courtesy; by that Ineffable Name which Moses heard and invoked, which he received from God from the midst of the Burning Bush, we conjure ye to obey our commands, and to come unto us promptly with all gentleness of manner.

Again we command ye with vehemence, and we exorcise ye with constancy, that ye and all your comrades come unto us in an agreeable and gracious manner like the breeze, to accomplish successively our various commands and desires. Come ye, then, by the virtue of these Names by the which we exorcise ye; ANAI, ÆCHHAD, TRANSIN, EMETH, CHAIA, IONA, PROFA, TITACHE, BEN ANI, BRIAH, THEIT; all which names are written in Heaven in the characters of Malachim, that is to say, the tongue of the Angels.

We then, by the just judgment of God, by the Ineffable and Admirable Virtue of God, just, living, and true, we call ye with power, we force and exorcise ye by and in the admirable Name which was written on the Tables of Stone which God gave upon Mount Sinai; and by and in the wonderful Name which Aaron the High Priest bare written upon his breast, by which also God created the World, the which name is AXINETON; and by the Living God Who is One throughout the Ages, whose dwelling is in the Ineffable Light, Whose Name is Wisdom, and Whose Spirit is Life, before Whom goeth forth Fire and Flame, Who hath from that Fire formed the firmament, the Stars and the Sun; and Who with that Fire will burn ye all for ever, as also all who shall contravene the Words of His Will.

Come ye, then, without delay, without noise, and without rage, before us, without any deformity or hideousness, to execute all our will; come ye from all places wherein ye are, from all mountains, valleys, streams, rivers, brooks, ponds, places, baths, synagogues; for God, strong and powerful, will chase ye and constrain ye, being glorious over all things; He will compel ye, both ye and the Prince of Darkness. Come ye, come ye, Angels of Darkness; come hither before this Circle without fear, terror, or defor-
mity, to execute our commands, and be ye ready both to achieve and to complete all
that we shall command ye.

Come ye, then, by the Crown of the Chief of your Emperors, and by the Sceptres
of your power, and of SID, the Great Demon, your Master; by the Names and in the
Names of the Holy Angels who have been created to be above you, long before the
constitution of the world; and by the Names of the two Princes of the Universe, whose
Names are, IONIEL and SEFONIEL; by the rod of Moses, by the staff of Jacob; by the
ring and seal of David, wherein are written the Names of Sovereign God; and by the
Names of the Angels by which SOLOMON has linked and bound ye; and by the
sacred bonds by which ANAEL hath environed and hath conquered the Spirit: and by
the Name of the Angel who ruleth potently over the rest, and by the praise of all crea-
tures who cry incessantly unto God, Who spake, and immediately all things, even the
Ages, were made and formed; and by the Name HA-QADOSCH BERAKHA, which
signifies the Holy and Blessed One; and by the Ten Choirs of the Holy Angels
CHAIOTH HA-QADESH, AUPHANIM, ARALIM, CHASHMALIM, SERAPHIM,
MALACHIM, ELOHIM, BENI ELOHIM, KERUBIM, and ISHIM; and by, and in the
Sacred name of Twelve Letters of which each letter is the Name of an Angel, and the
letters of the Name are ALEPH, BETH, BETH, NUN, VAU, RESH, VAU, CHETH, HE,
QOPH, DALETH, SHIN.

By these Names therefore, and by all the other Holy Names, we conjure ye and we
exorcise ye; by the Angel ZECHIEL; by the Angel DUCHIEL; by the Angel
DONACHIEL; and by the Great Angel METATRON, Who is the Prince of the Angels,
and introduceth the Souls before the Face of God; and by the Angel SANGARIEL, by
whom the portals of Heaven are guarded; and by the Angel KERUB, who was made
the Guardian of the Terrestrial Paradise, with a Sword of Flame, after the expulsion of
Adam our forefather; and by the Angel MICHAEL by whom ye were hurled down
from the Height of the THRONE into the Depth of the Lake and of the Abyss, the
same Name meaning, “Who is like God upon Earth;” and by the Angel ANIEL; and by
the Angel OPHIEL; and by the Angel BEDALIEL; wherefore, by these and by all the
other Holy Names of the Angels, we powerfully conjure and exorcise ye, that ye come
from all parts of the world immediately, and without any delay, to perform our will
and demands, obeying us quickly and courteously, and that ye come by the Name and
in the Name of ALEPH, DALETH, NUN, IOD, for we exorcise ye anew by the applica-
tion of these Letters, by whose power burning fire is quenched, and the whole
Universe trembleth.

We constrain ye yet again by the Seal of the Sun which is the Word of God; and by
the Seal of the Moon and of the Stars we bind ye; and by the other Animals and Crea-
tures which are in Heaven, by whose wings Heaven cleanseth itself, we force and
attract ye imperiously to execute our will without failure. And we conjure, oblige, and
terribly exorcise ye, that ye draw near unto us without delay and without fear, as far as
is possible unto ye, here before this Circle, as supplicants gently and with discretion,
to accomplish our will in all and through all. If ye come promptly and voluntarily, ye
shall inhale our perfumes, and our suffumigations of pleasant odour, which will be
both agreeable and delightful unto ye. Furthermore ye will see the Symbol of your Creator, and the Names of his Holy Angels, and we shall afterwards dismiss ye, and send ye hence with thanks. But if, on the contrary, ye come not quickly, and ye show yourselves self-opinionated, rebellious, and contumacious, we shall conjure ye again, and exorcise ye ceaselessly, and will repeat all the aforesaid words and Holy Names of God and of the Holy Angels; by the which Names we shall harass you, and if that be not sufficient we will add thereunto yet greater and more powerful ones, and we will thereunto again add other Names which ye have not yet heard from us, which are those of an Almighty God, and which will make ye tremble and quake with fear, both ye and your princes; by the which Names we conjure both you and them also, and we shall not desist from our work until the accomplishment of our will. But if perchance ye yet shall harden yourselves, and show yourselves self-opinionated, disobedient, rebellious, refractory, and contumacious, and if ye yet resist our powerful conjurations, we shall pronounce against you this warrant of arrest in the Name of God Almighty, and this definite sentence that ye shall fall into dangerous disease and leprosy, and that in sign of the Divine Vengeance ye shall all perish by a terrifying and horrible death, and that a fire shall consume and devour you on every side, and utterly crush you; and that by the Power of God, a flame shall go forth from His Mouth which shall burn ye up and reduce ye unto nothing in Hell. Wherefore delay ye not to come, for we shall not cease from these powerful conjurations until ye shall be obliged to appear against your will.

Thus then, therefore, we anew conjure and exorcise ye by and in the Holy Name of ON, which is interpreted and called God; by the Name and in the Name of EHEIH, which is the true Name of God, “I am He who Is;” by and in the Ineffable Name of Four Letters YOD HE VAU HE, the Knowledge and understanding of which is hidden even from the Angels; by the Name and in the Name of EL, which signifieth and denoteth the powerful and consuming fire which issueth from His Countenance, and which shall be your ruin and destruction; and by the Light of the Angels which is kindled and taken ineffably from that flame of Divine ardour.

By these then, and by other most Holy Names which we pronounce against you from the bottom of our hearts, do we force and constrain ye, if ye be yet rebellious and disobedient. We conjure ye powerfully and strongly exorcise ye, that ye come unto us with joy and quickness, without fraud or deceit, in truth and not in error.

Come ye then, come ye, behold the Signs and the Names of your Creator, behold the Holy Pentacles by the virtue of which the Earth is moved, the trees thereof and the Abysses tremble. Come ye; come ye; Come ye.

These things being thus done and performed, ye shall see the Spirits come from all sides in great haste with their Princes and Superiors; the Spirits of the First Order, like Soldiers, armed with spears, shields, and corslets; those of the Second Order like Barons, Princes, Dukes, Captains, and Generals of Armies. For the Third and last Order their King will appear, before whom go many players on instruments of music, accompanied by beautiful and melodious voices which sing in chorus.
Then the Exorcist, or Master of the Art, at the arrival of the King, whom he shall see crowned with a Diadem, should uncover the Holy Pentacles and Medals which he wareareth upon his breast covered with a cloth of silk or of fine twined linen, and show them unto him, saying:

Behold the Signs and Holy Names by and before whose power every knee should bow, of all that is in Heaven, upon Earth, or in Hell. Humble ye yourselves, therefore, under the Mighty hand of God.

Then will the King bow the knee before thee, and will say, “What dost thou wish, and wherefore hast thou caused us to come hither from the Infernal Abodes?”

Then shall the Exorcist, or Master of Magical Art, with an assured air and a grave and imperious voice, order and command him to be tranquil, to keep the rest of his attendants peaceable, and to impose silence upon them.

Let him, also, renew his fumigations, and offer large quantities of Incense, which he should at once place upon the fire, in order to appease the Spirits as he hath promised them. He should then cover the Pentacles, and he will see wonderful things, which it is impossible to relate, touching worldly matters and all sciences.

This being finished, let the Master uncover the Pentacles, and demand all that he shall wish from the King of the Spirits, and if there are one or two Spirits only, it will be the same; and having obtained all his desire, he shall thus license them to depart:

THE LICENSE TO DEPART

In the Name of ADONAI, the Eternal and Everlasting One, let each of you return unto his place; be there peace between us and you, and be ye ready to come when ye are called.

After this he should recite the first chapter of Genesis, “Berashith Bara Elohim, In the beginning, &c.”

This being done, let them all in order quit the Circle, one after the other, the Master first. Furthermore let them bathe their faces with the exorcised water, as will be hereafter told, and then let them take their ordinary raiment and go about their business.

Take notice and observe carefully that this last conjuration is of so great importance and efficacy, that even if the Spirits were bound with chains of iron and fire, or shut up in some strong place, or retained by an oath, they could not even then delay to come. But supposing that they were being conjured in some other place or part of the Universe by some other Exorcist or Master of the Art, by the same conjuration; the Master should add to his conjuration that they should at least send him some Messengers, or some individual to declare unto him where they are, how employed, and the reason why they cannot come and obey him.

But if (which is almost impossible) they be even yet self-opinionated and disobedient, and unwilling to obey; in this case their names should be written on virgin paper, which he should soil and fill with mud, dust, or clay. Then he shall kindle a fire with dry rue, upon which he shall put powdered asafoetida, and other things of evil
odour; after which let him put the aforesaid names, written on parchment or Virgin Parchment Paper, upon the fire, saying:

**The Conjuration Of The Fire**

I conjure thee, O Creature of Fire, by Him who removeth the Earth, and maketh it tremble, that thou burn and torment these Spirits, so that they may feel it intensely, and that they may be burned eternally by thee.

This being said, thou shalt cast the aforesaid paper into the fire, saying:

**The Curse**

Be ye accursed, damned, and eternally reproved; and be ye tormented with perpetual pain, so that we may find no repose by night nor by day, nor for a single moment of time, if ye obey not immediately the command of Him Who maketh the Universe to tremble; by these Names, and in virtue of these Names, the which being named and invoked all creatures obey and tremble with fear and terror, these Names which can turn aside lightning and thunder; and which will utterly make you to perish, destroy, and banish you. These Names then are Aleph, Beth, Gimel, Daleth, He, Vau, Zayin, Cheth, Teth, Yod, Kaph, Lamed, Mem, Nun, Samekh, Ayin, Pe, Tzaddi, Qoph, Resh, Shin, Tau.

By these secret Names, therefore, and by these signs which are full of Mysteries, we curse ye, and in virtue of the power of the Three Principles. Aleph, Mem, Shin, we deprive ye of all office and dignity which ye may have enjoyed up till now; and by their virtue and power we relegate you unto a lake of sulphur and of flame, and unto the deepest depths of the Abyss, that ye may burn therein eternally for ever.

Then will they assuredly come without any delay, and in great haste, crying: “O Our Lord and Prince, deliver us out of this suffering.”

All this time thou shouldest have near thee ready an exorcised pen, paper, and ink, as will be described hereinafter. Write their Names afresh, and kindle fresh fire, whereon thou shalt put gum benjamin, olybdanum, and storax to make therewith a fumigation; with these odours thou shalt afresh, perfume the aforesaid paper with the Names; but thou shouldest have these names ready prepared beforehand. Then show them the Holy Pentacles, and ask of them what thou wilt, and thou shalt obtain it; and having gained thy purpose, send away the Spirits, saying:

**The License To Depart.**

By the virtue of these Pentacles, and because ye have been obedient, and have obeyed the commandments of the Creator, feel and inhale this grateful odour, and afterwards depart ye unto your abodes and retreats; be there peace between us and you; be ye ever ready to come when ye shall be cited and called; and may the blessing of God, as far as ye are capable of receiving it, be upon you, provided ye be obedient and prompt to come unto us without solemn rites and observances on our part.
Thou shouldest further make a Book of Virgin Parchment Paper, and therein write the foregoing conjurations, and constrain the Demons to swear upon the same book that they will come whenever they be called, and present themselves before thee, whenever thou shalt wish to consult them. Afterwards thou canst cover this Book with sacred Sigils on a plate of silver, and therein write or engrave the Holy Pentacles. Thou mayest open this Book either on Sundays or on Thursdays, rather at night than by day, and the Spirits will come.

Regarding the expression “night,” understand the night following, and not the night preceding the aforesaid days. And remember that by day (the Demons) are ashamed, for they are Animals of Darkness.
Book One

Chapter VIII

Concerning Pentacles, and the Manner of Constructing Them.

As we have already made mention of the Pentacles, it is necessary that thou shouldest understand that the whole Science and understanding of our Key dependeth upon the operation, knowledge, and use of Pentacles.

He then who shall wish to perform any operation by the means of the Medals, or Pentacles, and therein to render himself expert, must observe what hath been herein before ordained. Let him then, O my Son Roboam, know and understand that in the aforesaid Pentacles he shall find those Ineffable and Most Holy Names which were written by the finger of God in the Tablets of Moses and which I, Solomon, have received through the Ministry of an Angel by Divine Revelation. These then have I collected together, arranged, consecrated, and kept, for the benefit of the human race, and the preservation of Body and of Soul.

The Pentacles should then be made in the days and hours of Mercury, when the Moon is in an aërial or terrestrial sign; she should also be in her increase, and in equal number of days with the Sun.

It is necessary to have a Chamber or Cabinet specially set apart and newly cleaned, wherein thou canst remain without interruption, the which having entered with thy Companions, thou shalt incense and perfume it with the odours and perfumes of the Art. The sky should be clear and serene. It is necessary that thou shouldest have one or more pieces of virgin paper prepared and arranged ready, as we shall tell you more fully later on, in its place.

Thou shalt commence the writing or construction of the Pentacles in the hour aforesaid. Among other things, thou shalt chiefly use these colours: Gold, Cinnabar or Vermilion Red, and celestial or brilliant Azure Blue. Furthermore, thou shalt make these Medals or Pentacles with exorcised pen and colours, as we shall hereafter show thee. Whenever thou constructest them, if thou canst complete them in the hour wherein thou didst begin them, it is better. However, if it be absolutely necessary to interrupt the work, thou shouldest await the proper day and hour before re-commencing it.

The Pentacles being finished and completed, take a cloth of very fine silk, as we shall hereafter ordain thee, in the which thou shalt wrap the Pentacles. After which thou shalt take a large Vessel of Earth filled with Charcoal, upon the which there must be put frankincense, mastic, and aloes, all having been previously conjured and exorcised as shall hereafter be told thee. Thou must also be thyself pure, clean, and washed, as thou shalt find given in the proper place. Furthermore, thou shouldest have the Sickle or Knife of Magical Art, with the which thou shalt make a Circle, and trace within it an inner Circle, and in the space between the two thou shalt write the Names of God, which thou shalt think fit and proper. It is necessary after this that thou shouldest have within the Circle a vessel of earth with burning coals and odoriferous perfumes thereon; with the which thou shalt fumigate the aforesaid Pentacles;
and, having turned thy face towards the East, thou shalt hold the said Pentacles over
the smoke of the Incense, and shalt repeat devoutly the following Psalms of David my
Father: Psalms viii., xxi, xxvii, xxi., xxxii, li, lxxii, cxxxiv.

After this thou shalt repeat the following Oration:

The Oration.

O ADONAI most powerful, EL most strong, AGLA most holy, ON most righ-
teous, the ALEPH and the TAU, the Beginning and the End; Thou Who hast
established all things in Thy Wisdom; Thou Who has chosen Abraham Thy faithful
servant, and hast promised that in his seed shall all nations of the earth be blessed,
which seed Thou hast multiplied as the Stars of Heaven; Thou Who hast appeared
unto Thy servant Moses in flame in the midst of the Burning Bush, and hast made
him walk with dry feet through the Red Sea; Thou Who gavest the Law to him upon
Mount Sinai; Thou Who hast granted unto SOLOMON Thy Servant these Pentacles by
Thy great Mercy, for the preservation of Soul and of Body; we most humbly implore
and supplicate Thy Holy Majesty, that these Pentacles may be consecrated by Thy
power, and prepared in such manner that they may obtain virtue and strength against
all Spirits, through Thee, O Most Holy ADONAI, Whose Kingdom, Empire, and prin-
cipality, remaineth and endureth without end.

These words being said, thou shalt perfume the Pentacles with the same sweet
scents and perfumes, and afterwards having wrapped them in a piece of prepared silk
cloth, thou shalt put them in a place fit and clean, which thou mayest open whenever
it shall please thee, and close it again, at thy pleasure and according unto thy will. We
will hereafter show thee the method and manner of preparing the aforesaid place, of
perfuming it with scents and sweet odours, and of sprinkling it with the Water and
Water-Sprinkler of Magical Art for all these things contain many good properties, and
innumerable virtues, as experience will easily teach thee.

We have already said sufficient regarding the Solemn Conjuration of Spirits.

We have also spoken enough in our present Key, regarding the manner in which it
is necessary to attract the Spirits so as to make them speak. Now, by Divine aid, I will
teach thee how to perform certain experiments with success.

Know, O my Son Roboam, that all the Divine Sigils, Characters, and Names
(which are the most precious and excellent things in Nature, whether Terrestrial or
Celestial), should be written by thee each separately, when thou art in a state of grace
and purity, upon Virgin parchment, with ordinary ink, in the beginning of the month
of August before sunrise, raising thine eyes unto heaven, and turning towards the east.
Thou shalt preserve them to suspend from thy neck, whichever thou wilt, on the day
and hour wherein thou wast born, after which thou shalt take heed to name every day
ten times, the Name which is hung from thy neck, turning towards the East, and thou
mayest be assured that no enchantment or any other danger shall have power to harm
thee.
Furthermore thou shalt vanquish all adversities, and shalt be cherished and loved by the Angels and Spirits, provided that thou hast made their characters and that thou hast them upon thee; I assure thee that this is the true way to succeed with case in all thine operations, for being fortified with a Divine Name, and the Letters, Characters, and Sigils, applicable unto the operation, thou shalt discover with what supernatural exactitude and very great promptitude, both Terrestrial and Celestial things will be obedient unto thee. But all this will only be true, when accompanied by the Pentacles which hereinafter follow, seeing that the Seals, Characters, and Divine Names, serve only to fortify the work, to preserve from unforeseen accidents, and to attract the familiarity of the Angels and Spirits; which is one reason, my Son, that before making any experiment, I order thee to read and re-read my Testament, not once only but many times, so that being perfectly instructed in the several Ceremonies thou mayest in no way fail, and that thus what shall have previously appeared to thee difficult and lengthy, may become in process of time easy and of very great use.

Figure 3. A Circle for the Consecration of Pentacles
I am about to endow thee with many secrets, which I charge thee never to employ for an evil purpose, for ACCURSED BE HE WHO TAKETH THE NAME OF ALMIGHTY GOD IN VAIN; but thou mayest without any other ceremonies make use of them, provided that, as I have already said, thou hast only the Glory of Eternal God for thine object. Thus, after having taught thee all the Ceremonies which concern the manner of performing the Operations, I am at length determined to make thee a partaker in the secrets of which I have particular knowledge, unknown to this day unto the generality of men; but, nevertheless, only on the condition that thou attemptest not the ruin and destruction of thy neighbour, for his blood will cry for vengeance unto God, and in the end thou and thine shall feel the just wrath of an offended Deity. However, God not having forbidden honest and lawful pleasures, thou mayest perform boldly the Operations which follow, it being always especially necessary to distinguish between the good and the evil, so as to choose the former and avoid the latter, which is why I command thee to be attentive to all that is contained in this my Testament.
MY beloved Son, if thou findest any Theft, thou shalt do as is hereinafter ordained, and with the help of God thou shalt find that which hath been taken away.

If the hours and days be not otherwise ordained in this operation, thou must refer to what hath already been said. But before commencing any operation whatsoever for the recovery of things stolen, after having made all necessary preparations, thou shalt say the following Oration:

**The Oration.**

Ateh Adonai Elohim Asher Ha-Shamain Ve-Ha-Aretz, &c.

Thou, O Lord, Who hast made both Heaven and Earth, and hast measured them in the hollow of Thy hand; Thou Who art seated upon the Kerubim and the Seraphim, in the high places, whereunto human understanding cannot penetrate; Thou Who hast created all things by Thine agency, in whose Presence are the Living Creatures, of which four are marvellously volatile, which have six wings, and who incessantly cry aloud: “QADOSCH, QADOSCH, QADOSCH, ADONAI ELOHIM TZABAOTH, Heaven and Earth are full of Thy Glory;” O Lord God, Thou Who hast expelled Adam from the Terrestrial Paradise, and Who hast placed the Kerubim to guard the Tree of Life, Thou art the Lord Who alone doest wonders; show forth I pray Thee Thy Great Mercy, by the Holy City of Jerusalem, by Thy wonderful Name of four letters which are YOD, HE, V AU, HE, and by Thy Holy and Admirable Name, give unto me the power and virtue to enable me to accomplish this experiment, and to come unto the desired end of this operation; through Thee who art Life, and unto Whom Life belongeth unto the eternal ages. Amen.

After this perfume and cense the place by burning Incense. This aforesaid place should be pure, clean, safe from interruption or disturbance, and proper to the work, as we shall hereafter show. Then sprinkle the aforesaid place with consecrated Water, as is laid down in the Chapter concerning Circles.

The Operation being in such wise prepared, thou shalt rehearse the Conjuration necessary for this experiment, at the end of which Thou shalt say as follows:

O Almighty Father and Lord, Who regardest the Heavens, the Earth, and the Abyss, mercifully grant unto me by Thy Holy Name written with four letters, YOD, HE, V AU, HE, that by this exorcism I may obtain virtue, Thou Who art IAH, IAH, IAH, grant that by Thy power these Spirits may discover that which we require and which we hope to find, and may they show and declare unto us the persons who have committed the theft, and where they are to be found.

I conjure ye, over this burning Incense, anew, ye Spirits above named, by all the aforesaid Names, through which all things created tremble, that ye show openly unto me (or unto this child here present with us) those things which we seek.
The Key of Solomon

These things being accomplished they will make thee to see plainly that which thou seekest. Take note that the Exorcist, or Master of the Art, should be such as is ordained in the Chapter concerning the Exorcist and his Companions; and if in this experiment it should be necessary to write down characters or Name, thou shalt do that which it is necessary to observe regarding the pen, ink, and paper, as is duly prescribed in the chapters concerning them.

For if thou dost not regard these things, thou wilt neither accomplish that which thou desirest, nor arrive at thy desired end.

How To Know Who Has Committed A Theft.

Take a Sieve, after burning one-half teaspoonful of Incense, and suspend it by a piece of cord wherewith a man has been hung, which should be fastened round the circumference of the rim. Within the rim write with blood in the four divisions thereof the characters given in Figure 4. After this take a basin of brass perfectly clean which thou shalt fill with water from a fountain, and having pronounced these words: DIES MIES YES-CHET BENE DONE FET DONNIMA METEMAUZ, make the sieve spin round with thy left hand, and at the same time turn with thy right hand the water in the basin in a contrary direction, by stirring it with a twig of green laurel. When the water becometh still and the sieve no longer whirls, gaze fixedly into the water, and thou shalt see the form of him who hath committed the theft; and in order that thou mayest the more easily recognize him, thou shalt mark him in some part of his face with the Magical Sword of Art; for that sign which thou shalt have cut therewith in the water, shall be really found thereafter upon his own person.

The Manner Of Causing The Sieve To Turn,
That Thou Mayest Know Who Has Committed The Theft.

Take a Sieve and stick into the outside of the rim the open points of a pair of scissors, and having rested the rings of the said opened scissors on the thumb-nails of two persons, let one of them say the following Prayer:

Prayer.

DIES MIES YES-CHET BENE DONE FET DONNIMA METEMAUZ; O Lord, Who liberatedst the holy Susanna from a false accusation of crime; O Lord, Who liberatedst the holy Thekla; O Lord, Who rescuedst the holy Daniel from the den of lions, and the Three Children from the burning fiery furnace, free the innocent and reveal the guilty.

After this let him or her pronounce aloud the names and surnames of all the persons living in the house where the theft hast been committed, Who may be suspected of having stolen the things in question, saying:

"By Saint Peter and Saint Paul, such a person hath not done this thing."
And let the other reply:
“By Saint Peter and Saint Paul, he (or she) hath not done it.”
Let this be repeated thrice for each person named and suspected, and it is certain that on naming the person who hath committed the theft or done the crime, the sieve will turn of itself without its being able to stop it, and by this thou shalt know the evil doer.

Figure 4.
Chapter X.

Of The Experiment of Invisibility, and How it Should Be Performed

If thou wishest to perform the Experiment of Invisibility, thou shalt follow the instructions for the same. If it be necessary to observe the day and the hour, thou shalt do as is said in their Chapters. But if thou needest not observe the day and the hour as marked in the Chapter thereon, thou shalt do as taught in the Chapter which precedeth it. If in the course of the experiment it be necessary to write anything, it should be done as is described in the Chapters pertaining thereto, with the proper pen, paper, and ink, or blood. But if the matter is to be accomplished by invocation, before thy conjurations, thou shalt, while burning Incense, say devoutly in thine heart:

SCEABOLES, ARBARON, ELOHI, ELIMIGITH, HERENOBULCLE, METHE, BALUTH, TIMAYALL, VILLAQUIEL, TEVENI, YEVIE, FERETE, BACUHABA, GUV ARIN; through Him by whom ye have empire and power over men, ye must accomplish this work so that I may go and remain invisible.

And if it be necessary in this operation to trace a Circle, thou shalt do as is ordained in the Chapter concerning Circles; and if it be necessary to write Characters, &c., thou shalt follow the instructions given in the respective Chapters.

This operation being thus prepared, if there be an especial Conjuration to perform, thou shalt repeat it in the proper manner; if not, thou shalt say the general Conjuration, at the end of which thou shalt add the following words:

O thou ALMIRAS, Master of Invisibility, with thy Ministers CHEROS, MAITOR, TANGEDEM, TRANSIDIM, SUVANTOS, ABELAIOIS, BORED, BELAMITH, CASTERMI, DABUEL; I conjure ye by Him Who maketh Earth and Heaven to tremble, Who is seated upon the Throne of His Majesty, that this operation may be perfectly accomplished according to my will, so that at whatsoever time it may please me, I may be able to be invisible.

I conjure thee anew, O ALMIRAS, Chief of Invisibility, both thee and thy Ministers, by Him through Whom all things have their being, and by SATURIEL, HARCHIEL, DANIEL, BENIEL, ASSIMONEM, that thou immediately comest thither with all thy Ministers, and achievest this operation, as thou knowest it ought to be accomplished, and that by the same operation thou render me invisible, so that none may be able to see me.

In order then to accomplish this aforesaid operation, thou must prepare all things necessary with requisite care and diligence, and put them in practice with all the general and particular ceremonies laid down for these experiments; and with all the conditions contained in our first and second Books. Thou shalt also in the same operations duly repeat the appropriate Conjurations, with all the solemnities marked in the respective Chapters. Thus shalt thou accomplish the experiment surely and without hindrance, and thus shalt thou find it true.
But, on the contrary, if thou lettest any of these things escape thee, or if thou despisest them, never shalt thou be able to arrive at thy proposed end; as, for example, we enter not easily into a fenced city over its walls but through its gates.

**How To Render Oneself Invisible.**

Make a small image of yellow wax, in the form of a man, in the month January and in the day and hour of Saturn, and at that time write with a needle above the crown of its head and upon its skull which thou shalt have adroitly raised, the character following. (See Figure 5.) After which thou shalt re-place the skull in proper position. Thou shalt then write upon a small strip of the skin of a frog or toad which thou shalt have killed, the following words and characters. (See Figure 6.) Thou shalt then go and suspend the said figure by one of thy hairs from the vault of a cavern at the hour of midnight, and burning Incense under it, thou shalt say:

![Figure 5](image1.png)

**Figure 5.**

METATRON, MELEKH, BEROOTH, NOTH, VENIBBETH, MACH, and all ye, I conjure thee O Figure of wax, by the Living God, that by the virtue of these Characters and words, thou render me invisible, wherever I may bear thee with me. Amen.

And after having burned Incense again under it, thou shalt bury it in the same place in a small deal box, and every time that thou wishest to pass or enter into any place without being seen, thou shalt say these words, bearing the aforesaid figure in thy left pocket:

Come unto me and never quit me whithersoever I shall go.

Afterwards thou shalt take it carefully back unto the before-mentioned place and cover it with earth until thou shalt need it again.

![Figure 6](image2.png)

**Figure 6.**
Chapter XI.

To Hinder a Sportsman from Killing any Game.

Take a stick of green elder, from the two ends of which thou shalt clean out the pith. In each end place a strip of parchment of hare-skin, having written thereon with the blood of a black hen the following character and word. (See Figure 7.) Having made two of these slips, place one in each end of the stick and close the apertures up with pith, afterwards on a Friday in the month of February thou shalt fumigate the aforesaid stick with suitable incense thrice in the air, and having taken it thence thou shalt bury it in the earth under an elder tree. Afterwards thou shalt expose it in the pathway by which the Sportsman will pass, and once he has passed by it, he need not hope to kill any game during that day. If thou shalt wish a second time to lay a spell upon him in like manner, thou needest but to expose the stick again in his path; but take care to bury it again in the earth under an elder tree, so as to be able to take it from thence each time that thou shalt have need of it; and to take it up each time as soon as the Sportsman shall have passed.

![Figure 7.](image-url)
Chapter XII.

How To Make The Magic Garters.

Take enough of the skin of a stag to make two hollow tubular Garters, but before stitching them up thou shalt write on the side of the skin which was next the flesh the words and characters shown in Figure 8, with the blood of a hare killed on the 25th of June, and having filled the said Garters with green mugwort gathered also on the 25th of June before sunrise, thou shalt put in the two ends of each the eye of the fish called barbel; and when thou shalt wish to use them thou shalt get up before sunrise and wash them in a brook of running water, and place them one on each leg above the knee. After this thou shalt take a short rod of holm-oak cut on the same 25th of June, turn in the direction thou wishest to go, write upon the ground the name of the place, and commencing thy journey thou wilt find it accomplished in a few days and without fatigue. When thou wishest to stop thou hast only to say AMECH and beat the air with the aforesaid wand, and incontinently thou shalt be on firm ground.

Figure 8.
Chapter XIII.

HOW TO MAKE THE MAGIC CARPET PROPER FOR INTERROGATING THE INTELLIGENCES, SO AS TO OBTAIN AN ANSWER REGARDING WHATSOEVER MATTER ONE MAY WISH TO LEARN.

MAKE: a Carpet of white and new wool, and when the Moon shall be at her full, in the Sign of Capricorn and in the hour of the Sun, thou shalt go into the country away from any habitation of man, in a place free from all impurity, and shalt spread out thy Carpet so that one of its points shall be towards the east, and another towards the west, and having made a Circle without it and enclosing it, thou shalt remain within upon the point towards the east, and holding thy wand in the air for every operation, thou shalt call upon MICHAEL, towards the north upon RAPHAEL, towards the west upon GABRIEL, and towards the south upon MURIEL. After this thou shalt return unto the point of the East and devoutly invoke the Great Name AGLA, and take this point of the Carpet in thy left hand; turning then towards the North thou shalt do the same, and so continuing to the other points of the Carpet, thou shalt raise them so that they touch not the ground, and holding them up thus, and turning anew towards the East thou shalt say with great veneration the following Prayer:

PRAYER.

AGLA, AGLA, AGLA, AGLA; O God Almighty who art the Life of the Universe and who rulest over the four divisions of its vast form by the strength and virtue of the Four Letters of Thy Holy Name Tetragrammaton, YOD, HE, VAU, HE, bless in Thy Name this covering which I hold as Thou hast blessed the Mantle of Elijah in the hands of Elisha, so that being covered by Thy Wings, nothing may be able to injure me, even as it is said: “He shall hide thee under His wings and beneath His feathers shall thou trust, His truth shall be thy shield and buckler.”

After this thou shalt fold it up, saying these words following:

RECABUSTIRA, CABUSTIRA, BUSTIRA, TIRA RA, A; and shall keep it carefully to serve thee at need.

When thou shalt be desirous to make thine interrogations, choose the night of full or of new moon, and from midnight until daybreak. Thou shalt transport thyself unto the appointed spot if it be for the purpose of discovering a treasure; if not, any place will serve provided it be clean and pure. Having had the precaution on the preceding evening to write upon a slip of virgin parchment coloured azure-blue, with a pen made from the feather of a dove, this Character and Name (see Figure 9); taking thy carpet, thou shalt cover thy head and body therewith, and taking the censer, with new fire therein, thou shalt place it in or upon the proper place, and cast thereon some incense. Then shalt thou prostrate thyself upon the ground, with thy face towards the earth, before the incense beginneth to fume, keeping the fire of the same beneath the carpet, holding thy wand upright, against which to rest thy chin; thou shalt hold with
thy right hand the aforesaid strip of parchment against thy forehead. and thou shalt say the following words:

VEGALE, HAMICATA, UMSA, TERATA, YEH, DAH, MA, BAXASOXA, UN, HORAH, HIMSERE; O God the Vast One send unto me the Inspiration of Thy Light, make me to discover the secret thing which I ask of Thee, whatsoever such or such a thing may be, make me to search it out by the aid of Thy holy Ministers RAZIEL, TZAPHNIEL, MATMONIEL; Lo, Thou hast desired truth in the young, and in the hidden thing shalt Thou make me known wisdom. RECABUSTIRA, CABUSTIRA, BUSTIRA, TIRA, RA, A, KARKAHITA, KAHITA, HITA, TA.

And thou shalt hear distinctly the answer which thou shalt have sought.

Figure 9.
Chapter XIV

How To Render Thyself Master of a Treasure Possessed by the Spirits.

The Earth being inhabited, as I have before said unto thee, by a great number of Celestial Beings and Spirits, who by their subtlety and prevision know the places wherein treasures are hidden, and seeing that it often happeneth that those men who undertake a search for these said treasures are molested and sometimes put to death by the aforesaid Spirits, which are called Gnomes; which, however, is not done through the Avarice of these said Gnomes, a Spirit being incapable of possessing anything, having no material senses wherewith to bring it into use, but because these Spirits, who are enemies of the passions, are equally so of Avarice, unto which men are so much inclined; and foreseeing the evil ends for which these treasures will be employed have some interest and aim in maintaining the earth in its condition of price and value, seeing that they are its inhabitants, and when they slightly disturb the workers in such kind of treasures, it is a warning which they give them to cease from the work, and if it happen that the greedy importunity of the aforesaid workers oblige them to continue, notwithstanding the aforesaid warnings, the Spirits, irritated by their despising the same, frequently put the workmen to death. But know, O my Son, that from the time that thou shalt have the good fortune to be familiar with such kinds of Spirits, and that thou shalt be able by means of what I have taught thee to make them submit unto thine orders, they will be happy to give thee, and to make thee partaker in that which they uselessly possess, provided that thine object and end shall be to make a good use thereof.

The Manner Of Performing The Operation.

On a Sunday before sunrise, between the 10th of July and the 20th of August, when the moon is in the Sign of the Lion, thou shalt go unto the place where thou shalt know either by interrogation of the Intelligences, or otherwise, that there is a treasure; there thou shalt describe a Circle of sufficient size with the Sword of Magical Art wherein to open up the earth, as the nature of the ground will allow; thrice during the day shalt thou cense it with the incense proper for the day, after which being clothed in the raiment proper for the Operation thou shalt suspend in some way by a machine immediately above the opening a lamp, whose oil should be mingled with the fat of a man who has died in the month of July, and the wick being made from the cloth wherein he has been buried. Having kindled this with fresh fire, thou shalt fortify the workmen with a girdle of the skin of a goat newly slain, wherein shall be written with the blood of the dead man from whom thou shalt have taken the fat these words and characters (see Figure 10); and thou shalt set them to work in safety, warning them not to be at all disturbed at the Spectres which they will see, but to work away boldly. In case they cannot finish the work in a single day, every time they shall have to leave it thou shalt cause them to put a covering of wood over the open-
ing, and above the covering about six inches of earth; and thus shalt thou continue unto the end, being all the time present in the raiment of the Art, and with the Magic Sword, during the operation. After which thou shalt repeat this prayer:

**Prayer.**

ADONAI, ELOHIM, EL, EHEIEH ASHER EHEIEH, Prince of Princes, Existence of Existences, have mercy upon me, and cast Thine eyes upon Thy Servant (N.), who invokes Thee most devoutly, and supplicates Thee by Thy Holy and tremendous Name Tetragrammaton to be propitious, and to order Thine Angels and Spirits to come and take up their abode in this place; O ye Angels and Spirits of the Stars, O all ye Angels and Elementary Spirits, O all ye Spirits present before the Face of God, I the Minister and faithful Servant of the Most High conjure ye, let God himself, the Existence of Existences, conjure ye to come and be present at this Operation, I, the Servant of God, most humbly entreat ye. Amen.

Having then caused the workmen to fill in the hole, thou shalt license the Spirits to depart, thanking them for the favour they have shown unto thee, and saying:

**The License To Depart.**

O ye good and happy Spirits, we thank ye for the benefits which we have just received from your liberal bounty; depart ye in peace to govern the Element which God hath destined for your habitation. Amen.

![NOPA_ PA DOUS](image)
The Key of Solomon

Chapter XV.

Of the Experiment of Seeking Favor and Love.

If thou wishest to perform the Experiment of seeking favor and love, observe in what manner the Experiment is to be carried out, and if it be dependent upon the day and the hour, perform it in the day and the hour required, as thou wilt find it in the chapter concerning the hours; and if the Experiment be one that requireth writing, thou shalt write as it is said in the chapter concerning the same; and if it be with penal bonds, pacts, and fumigations, then thou shalt cense with a fit perfume as is said in the chapter concerning suffumigations; and if it be necessary to sprinkle it with water and hyssop, then let it be as in the chapter concerning the same; similarly if such Experiment require characters, names, or the like, let such names be written as the chapter concerning the writing of characters, and place the same in a clean place as hath been said. Then thou shalt repeat over it, after burning Incense, the following oration:

The Oration.

O ADONAI, most Holy, Most Righteous, and most Mighty God, Who hast made all things through Thy Mercy and Righteousness wherewith Thou art filled, grant unto us that we may be found worthy that this Experiment may be found consecrated and perfect, so that the Light may issue from Thy Most Holy Seat, O ADONAI, which may obtain for us favor and love. Amen.

This being said, thou shalt place it in clean silk, and bury it for a day and a night at the junction of four cross-roads; and whencesoever thou wishest to obtain any grace or favor from any, take it, having first properly consecrated it according to the rule and place it in thy right hand, and seek thou what thou wilt it shall not be denied thee. But if thou doest not the Experiment carefully and rightly, assuredly thou shalt not succeed in any manner.

For obtaining grace and love write down the following words:

SATOR, AREPO, TENET, OPERA, ROTAS, IAH, IAH, IAH, ENAM, IAH, IAH, KETHER, CHOKMAH, BINAH, GEDULAH, GEBURAH, TIPHERETH, NETZACH, HOD, YESOD, MALKUTH, ABRAHAM, ISAAC, JACOB, SHADRACH, MESHACH, ABEDNEGO, be ye all present in my aid and for whatsoever I shall desire to obtain.

Which words being properly written as above, thou shalt also find thy desire brought to pass.
Experiments relating to tricks, mockeries, and deceits, may be performed in many ways. When thou shalt wish to practice these experiments with regard to any person, thou shalt observe the day and the hour as we have already said. Should it be necessary to write Characters or Words, it should be done on Virgin Parchment Paper, as we shall show farther on. As for the ink, if it be not specially ordained in this operation, it is advisable to use the blood of a bat with the pen and the needle of art. But before describing or writing the Characters or Names, all the necessary rules should be observed as given in the proper Chapters, and having carefully followed out all these, thou shalt pronounce with a loud voice the following words:

ABAC, ALDAL, IAT, HUDAC, GUTHAC, GUTHOR, GOMEH, TISTATOR, DERISOR, DESTATUR, come hither all ye who love the times and places wherein all kinds of mockeries and deceits are practiced. And ye who make things disappear and who render them invisible, come hither to deceive all those who regard these things, so that they may be deceived and that they may seem to see that which they see not and hear that which they hear not, so that their senses may be deceived, and that they may behold that which is not true.

Come ye then hither and remain, and consecrate this enchantment, seeing that God the Almighty Lord hath destined ye for such.

When this Experiment is completed in this manner in the hour and time which we have shown and taught, also the foregoing words ABAC, ALDAL, &c., should be written with the pen as hereinafter ordained; but if the Experiment be performed in a different way, yet shalt thou always say the aforesaid words, and they should be repeated as before given.

If thou practicest these things in this manner correctly, thou shalt arrive at the effect of thine operations and experiments, by the which thou mayest easily deceive the senses.
Chapter XVII.

How Extraordinary Experiments and Operations Should be Prepared.

We have spoken in the preceding Chapters of common experiments and operations, which it is more usual to practice and put in operation, and therein thou mayest easily see that we have told thee sufficient for their perfection. In this Chapter we treat of extraordinary and unusual experiments, which can also be done in many ways.

None the less should those who wish to put in practice the like experiments and operations observe the days and hours as is laid down in the proper Chapters, and should be provided with Genuine Parchment Paper, made from the skin of dead-born Lambs, and other necessary things. Having prepared a similar experiment thou shalt say:

Prayer.

O God, Who hast created all things, and hast given unto us discernment to understand the good and the evil; through thy Holy Name, and through these Holy Names;-- IOD, IAH, VAU, DALETH, VAU, TZABAOTH, ZIO, AMATOR, CREATOR, do Thou, O Lord, grant that this experiment may become true and veritable in my hands through Thy Holy Seal, O ADONAI, Whose reign and empire remaineth eternally and unto the Ages of the Ages. Amen.

This being done, thou shalt perform the experiment, observing its hour, and thou shalt perfume and incense as is laid down in the proper Chapter; sprinkling with exorcised water, and performing all the ceremonies and solemnities as we shall instruct thee in the Second Book of our Key.
Chapter XVIII.

Concerning The Holy Pentacles or Medals.

The Medals or Pentacles, which we make for the purpose of striking terror into the Spirits and reducing them to obedience, have besides this wonderful and excellent virtue. If thou invokest the Spirits by virtue of these Pentacles, they will obey thee without repugnance, and having considered them they will be struck with astonishment, and will fear them, and thou shalt see them so surprised by fear and terror, that none of them will be sufficiently bold to wish to oppose thy will. They are also, of great virtue and efficacy against all perils of Earth, of Air, of Water, and of Fire, against poison which hath been drunk, against all kinds of infirmities and necessities, against binding, sorteilege, and sorcery, against all terror and fear, and wheresoever thou shalt find thyself, if armed with them, thou shalt be in safety all the days of thy life.

Through them do we acquire grace and good-will from man and woman, fire is extinguished, water is stayed, and all Creatures fear at the sight of the Names which are therein, and obey through that fear.

These Pentacles are usually made of the metal the most suitable to the nature of the Planet; and then there is no occasion to observe the rule of particular colors. They should be engraved with the instrument of Art in the days and hours proper to the Planet.

Saturn ruleth over Lead; Jupiter over Tin; Mars over Iron; the Sun over Gold; Venus over Copper; Mercury over the mixture of Metals; and the Moon over Silver.

They may also he made with Virgin Parchment Paper, writing thereon with the colors adopted for each Planet, referring to the rules already laid down in the proper Chapters, and according to the Planet with which the Pentacle is in sympathy.

Therefore unto Saturn the color of Black is appropriated; Jupiter ruleth over Celestial Blue; Mars over Red; the Sun over Gold, or the Color of Yellow or Citron; Venus over Green: Mercury over Mixed Colors; the Moon over Silver, or the color of Argentine Earth.

The Matter of which the Pentacle is constructed should be Virgin, never having been used for any other purpose; or if it be metal it should be purified by fire.

As regards the size of the Pentacles it is arbitrary, so long as they are made according to the rules, and with the requisite solemnities, as hath been ordained.

The virtues of the Holy Pentacles are no less advantageous unto thee than the knowledge of the secrets which I have already given unto thee; and thou shouldst take particular care if thou makest them upon virgin parchment to use the proper colors; and if thou engravest them upon metal, to do so in the manner taught thee; and so shalt thou have the satisfaction of seeing them produce the promised effect. But seeing that this Science is not a Science of argument and open reasoning, but that, on the contrary, it is entirely mysterious and occult, we should not argue and deliberate over these matters, and it is sufficient to believe firmly to enable us to bring into operation that which hath already been taught.
When thou shalt construct these Pentacles and Characters, it is necessary never to forget the burning of Incense, nor to employ anything beyond that which hath already been taught.

It is necessary, above all things, to be attentive to the operation, and never to forget or omit those things which contribute to the success which the Pentacles and Experiments promise, having ever in thy mind no other intention than the Glory of God, the accomplishment of thy desires, and loving kindness towards thy neighbour.

Furthermore, my beloved Son, I order thee not to bury this Science, but to make thy friends partakers in the same, subject, however, to the strict command never to profane the things which are Divine, for if thou doest this, far from rendering thee a friend of the Spirits, it will but be the means of bringing thee unto destruction.

But never must thou lavish these things among the ignorant, for that would be as blameable as to cast precious gems before swine; on the contrary, from one Sage the secret knowledge should pass unto another Sage, for in this manner shall the Treasure of Treasures never descend into oblivion.

Adore and revere the Most Holy Names of God which are found in these Pentacles and Characters, for without this never shalt thou be able to come to the end of any enterprise, nor to accomplish the Mystery of Mysteries.

Above all things, remember that to perform any of these operations thou must be pure in body and mind, and without blemish, and omit not any of the preparations.

This Key, full of Mysteries, hath been revealed unto me by an Angel.

Accursed be he who undertaketh our Art without having the qualities requisite to thoroughly understand our Key, accursed be he who invoketh the Name of God in vain, for such an one prepareth for himself the punishments which await the unbelievers, for God shall abandon them and relegate them unto the depths of Hell amongst the impure Spirits.

For God is great and Immutable, He hath been for ever, and He shall remain even unto the end of the Ages.

ACCURSED BE HE WHO TAKETH THE NAME OF GOD IN VAIN! ACCURSED BE HE WHO USETH THIS KNOWLEDGE UNTO AN EVIL END, BE HE ACCURSED IN THIS WORLD AND IN THE WORLD TO COME. AMEN. BE HE ACCURSED IN THE NAME WHICH HE HATH BLASPHEMED!

THE END OF THE FIRST BOOK.
